Subject: Nominations for Type 3 Incident Management Teams for 2009

Please have all nomination forms submitted no later than January 16, 2009.

Individual and Agency commitment to team participation is the key ingredient in making the Nevada Interagency Type 3 Incident Management teams successful. Trainee nominations for all team positions are strongly encouraged. We are also looking for Alternates who may be called upon to fill in for regular team members that cannot be available for a call-up period. Type 3 IMT call-up periods will be determined after nominations are received and the number of teams has been decided. Our goal is to again status four teams on one-week call up periods.

Nominees for positions will make a minimum one year commitment to team participation and shall be expected to be available for call-out during a set rotation period. Rotation dates for 2009 are scheduled to begin May 15 and end October 1.

If you have any questions, please contact Dennis Terry (chair) at (775) 861-6659 or Jeff Arnberger (co-chair) at (775) 753-0304.
