America; Notice of Compliance Filing**

December 29, 1997.

**Sea Robin Pipeline Company; Notice
of Refund Report**

December 29, 1997.

Take notice that on December 22, 1997, Sea Robin Pipeline Company (Sea Robin), tendered for filing a report reflecting billing adjustments made to its shippers on December 19, 1997.

Sea Robin states that the report sets forth the amount refunded, to all non-contesting shippers for the period January 1, 1997 through April 30, 1997, and the amount billed to all shippers (contesting and non-contesting) for the period from May 1, 1997, through September 30, 1997. Sea Robin states that the amounts refunded and adjusted have been netted for each shipper.

Such adjustments reflect implementation of the rates approved by the Commission's November 3, 1997 Order in this docket and as filed by Sea Robin in the Stipulation and Agreement dated December 31, 1996. Sea Robin requests a waiver from the Commission to charge no interest on the amounts refunded and rebilled since almost all shippers owe to Sea Robin more than the amount refunded and the net effect of such interest charges would be immaterial. Sea Robin also requests a waiver of Section 6.4 of the General Terms and Conditions of its tariff to not adjust shippers' imbalance cash-out invoices to reflect the revised rates for the affected period January-September, 1997. Such waiver is appropriate since the effect of the rate adjustment on the Index Price calculated under Section 6.4 for the cash-out of imbalances is de minimus.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protest should be filed on or before January 6, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP97-518-001]

**Transcontinental Gas Pipe Line
Corporation; Notice of Tariff Filing**

December 29, 1997.

Take notice that on December 23, 1997, Transcontinental Gas Pipe Line Corporation (Transco), tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached to the filing, with an effective date of January 22, 1998.

Transco states that the purpose of the instant filing is to modify Transco's September 5, 1997, filing in Docket No. RP97-518-000 (September 5 Filing) in order to more accurately reflect the Storage Buyers' withdrawal entitlements under Transco's Rate Schedule S-2 storage service. In the September 5 Filing, Transco modified the provisions of Transco's Rate Schedule S-2 storage service to conform to the service currently provided by Texas Eastern Transmission Corporation (Texas Eastern) to Transco under Texas Eastern's Rate Schedule X-28.

Transco states that it has since discovered that, while the quantity limitations listed in Section 6.3 of Rate Schedule S-2 accurately reflect the total withdrawal entitlements for all of Transco's S-2 customers in aggregate, applying the stated percentages to individual customer withdrawal entitlements results in a quantity that varies slightly from the daily withdrawal entitlements stated in each customer's, service agreement due to small rounding differences. In order to remedy this discrepancy, Transco is proposing herein to eliminate the percentages stated in Section 6.3 of Rate Schedule S-2 and insert, in lieu thereof, a reference to the executed S-2 service agreement which sets forth the daily withdrawal quantity limitations.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.
