ORDER

Several pending pro se "motions," including those docketed as #s 376, 377, 378, 383 and 387, remain unresolved. Because the issues raised in these pleadings either have been settled by appellate review or do not merit judicial relief,¹ they are DENIED.

The Clerk is directed to forward a copy of this Order to the defendant, pro se; counsel for the United States; and standby defense counsel.

Entered this 4th day of November, 2002.

¹ In pleading #377, the defendant expresses dissatisfaction with the July 24, 2002 declaration by the Assistant Director of the Counterterrorism Division of the Federal Bureau of Investigation ("FBI") indicating that the FBI did not have the defendant under electronic surveillance before September 11, 2001. The defendant's motion is denied because we find the declaration to be adequate.
