Re: U.S.-Hong Kong Fifth-Freedom All-Cargo Frequencies, Docket OST-2004-17279

Dear Mr. Gretch:

Northwest Airlines, Inc. hereby returns to the Department one U.S.-Hong Kong fifth-freedom all-cargo frequency that the Department originally granted to Northwest on an interim basis for operation between Hong Kong and Seoul, Republic of Korea. See Notice of Action Taken in Docket OST-2004-17279, dated May 11, 2004.¹

As Northwest returns this one frequency for Hong Kong-Seoul all-cargo service, the carrier is separately applying for allocation of two new U.S.-Hong Kong fifth-freedom all-cargo frequencies, not limited to operations to and from Seoul, so that Northwest may expand its existing fifth-freedom freighter operations between Hong Kong and Manila.

Respectfully submitted,

/s/ Ronald P. Brower /s/
