* The Census Bureau works with other federal agencies or state officials to define statistical entities for federal and state censuses. American Indian and Alaska Native areas that have no legally defined land base. These entities are portrayed on this map with the name of the entity and a legend symbol.

Congressional Districts are those in effect for the 108th Congress of the United States (January 2003-2005); all other legal boundaries and names are as of January 1, 2000. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; they do not represent the official boundaries of any state or local government and do not constitute a determination of jurisdictional authority or rights of ownership or control.
