II. Public Comment Procedures

Members of the public may make oral statements to the Advisory Board on November 17, 2008 at the appropriate point in the agenda. This opportunity is anticipated to occur at 3 p.m., local time. Speakers should address the specific wild horse and burro-related topics listed on the agenda. Speakers must submit a written copy of their statement to the address listed in the **ADDRESSES** section or bring a written copy to the meeting.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written

comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, speakers should submit two copies of their written comments where feasible. The BLM will not necessarily consider comments received after the time indicated under the **DATES** section or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, the BLM will make them available in their entirety, including your name and address. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The BLM will release all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, in their entirety, including names and addresses.

Electronic Access and Filing Address

Speakers may transmit comments electronically via the Internet to: ramona_delorme@blm.gov. Please include the identifier "WH&B" in the subject of your message and your name and address in the body of your message.

The rules relate to the health and safety of public land users and protection of natural resources. These supplementary rules will be enforced by BLM law enforcement rangers within the HWD Recreation Area.

Proposed rules address vehicle rider capacity, clinging to or being towed by a vehicle, safety flags, vehicle use, public nudity, firearms, pets, speed limit, camping, waste disposal, and length of stay. All current supplementary rules will be rescinded and replaced by these revised rules for the HWD Recreation Area.

DATES: We invite comments until December 15, 2008. In developing final rules, the BLM may not consider comments postmarked or received after this date.

ADDRESSES: Written comments may be sent to the following address via regular mail or other delivery service: Bureau of Land Management, Safford Field Office, 711 14th Avenue, Safford, Arizona 85546. Where possible, comments should reference the specific section or paragraph of the rules that the comment is addressing. You may also access and comment on the proposed supplementary rules at the Federal eRulemaking Portal by following the instructions at that site (see **ADDRESSES**). The BLM need not consider or include in the Administrative Record for the final supplementary rules: (a) Comments that the BLM receives after the close of the comment period (see **DATES**), unless they are postmarked or electronically dated before the deadline, or (b) comments delivered to an address other than those listed above (see **ADDRESSES**).

The BLM will make available for public inspection in their entirety all submissions from organizations, businesses, and government agencies, or from individuals identifying themselves as representatives or officials of such entities.

II. Background and Purpose

These proposed supplementary rules apply to the designated HWD Recreation Area, public lands administered by the Gila District and Safford Field Office. Due to increases in visitation at the HWD, the nature of the terrain and vegetation, and the types of vehicles in use, the following rules are proposed to reduce threats to public health, safety, and property.

These supplementary rules will allow the BLM to increase law enforcement efforts that will help mitigate damage to natural resources and provide for public health and safe public recreation.

III. Discussion of Supplementary Rules

The Gila District/Safford Field Office proposes to rescind all prior supplementary rules for the HWD
