Proposal Allot Channell 244A at Tignall, Georgia as community's first local broadcast service

Dear Sirs,

In response to the request for comments regarding the proposed allotment of channel 244A at Tignall, Georgia. I would be in favor of the allotment and plan to apply for the licence when applications for this channel become available. Please forward any information regarding this proposal to the address above. Enclosed is this original letter, and four (4) copies as requested. Thank you for your time.

Sincerely,
