Dear FCC:

i am a disabled american, i worked in the oil industry for 30 years, and now find myself housebound---the satallite radio has been a extreme comfort to me it keeps me company---it is a wonderful experience--i cant afford cable tv----please please approve the merger and let these two wonderful companies intergrate and become profitable, strong and serve america, just as i did--i also was a armed sevices volunteer in 1970--i love my country and want the best for all its people---the infrastrucre is built the thing works and it can be used in so many ways to aid productivity and inform the citzenery--in times of peril it could be used for national emergencies--it has made my life more bearable--there is all sorts of compition--am fm ipod/mps--internet radio--cable radio and on and on ---thank you for being fair and thinking of all the joy and happiness of the little guy.it cant always be about greed---thank you

Sincerely,
