FEDERAL TRADE COMMISSION

TO WHOM IT CONCERNS:

I FIRMLY BELIEVE THAT ANYTHING LABELED  
"MADE IN THE USA" SHOULD BE WHOLELY - 100% -  
MADE IN THE UNITED STATES. NOT JUST  
ASSEMBLED IN THE USA; NOT CUT OUT IN  
THE USA, SHIPPED OVERSEAS FOR SEWING, &  
THEN SHIPPED BACK w/ THE MADE IN THE USA  
LABEL ON IT.

I DO NOT BELIEVE THAT IT IS FAIR TO  
"MIS-LABEL" (MISLEAD) THE ITEM FOR THE PEOPLE  
TO PURCHASE IT. NOR IS IT FAIR TO THE  
PEOPLE WHO ACTUALLY WORK IN THE USA TO  
BELIEVE THAT SOMEONE ELSE MIGHT BE EARNING  
A FAIR WAGE MAKING SAID ITEM.

My FATHER ONLY PURCHASED ITEMS MADE IN  
THE USA - BELIEVING THAT IT WOULD BE  
OF BETTER QUALITY AND LONGER LASTING.  
THE PRODUCTS HE PURCHASED LASTED WELL PAST  
HIS LIFE.

I HOPE THAT YOU WILL CONSIDER THAT  
ITEMS MADE IN THE USA ARE TOTALLY  
100% MADE IN THE USA.

SINCERELY
