Section 2.3 — Annualized Projections or Estimates

The annualized projections and estimates cited in Section 2.3 are
“Confidential – Privileged Information.”

Note: The information cited on this page is not bound in the master copies of binders.

Section 3.1 — Construction Cost Estimate

The construction cost estimates cited in Section 3.1 are
“Confidential – Privileged Information.”

Note: The information cited on this page is not bound in the master copies of binders.

Section 3.6 — Estimated Decommissioning Cost

The estimated decommissioning costs cited in Section 3.6 are
“Confidential – Privileged Information.”

Exhibit F — Siting Study

The siting study presented in Exhibit F is
“Confidential – Privileged Information.”

Exhibit H — Hazard Survey

The hazard surveys presented in Exhibit H are
“Confidential – Privileged Information.”

Exhibit M — Pipeline Design Basis

The Pipeline construction information presented in Exhibit M is
“Confidential – Privileged Information.”

Exhibit O — Beacon Port GBS Terminal Metocean Design Data

The metocean design data presented in Exhibit O is
“Confidential – Privileged Information.”

Exhibit Q — Terminal Design Basis

The design basis criteria document presented in Exhibit Q is
“Confidential – Privileged Information.”

Appendix F — Cultural Resources Survey – Federal Waters

The cultural resources survey report presented in Appendix F is
“Confidential – Privileged Information.”

Appendix A — GBS Fabrication Site Environmental Assessment Report

The environmental assessment report presented in Appendix A is
“Confidential – Privileged Information.”

Appendix I — Cultural Resources Surveys – State Waters and Onshore Alternatives

The cultural resources survey reports presented in Appendix I are “**Confidential – Privileged Information.**”

Appendix K — Consequence Assessment

The consequence analysis study report presented in Appendix J
is “**Confidential – Privileged Information.**”
