

**9 FAM PART IV Appendix N,
Exhibit IX PORT-OF-ENTRY CODES USED BY
THE IMMIGRATION AND NATURALIZATION
SERVICE**

(TL:VISA-279; 05-11-2001)

The following three-letter codes are used by the Service in its internal communications to represent ports-of-entry. The list is furnished to Foreign Service posts for their use in determining the meaning of codes contained in Service documentation and correspondence. Posts should not use the codes in correspondence with offices of the Service, except in conjunction with the full name of the city to which the code applies.
