Comments of Resident Advisory Board and PHA Response

The Resident Advisory Board comments were on the Central A/C being installed in the units. They wanted the tenants who had been here the longest and the disabled tenants units to be in the first phase, this plus window units for the elderly. This was completed in July 2001. The second phase will be completed in January 2002.

REQUIRED ATTACHMENT G “ASSESSMENT OF SITE-BASED WAITING LIST DEVELOPMENT DEMOGRAPHIC CHANGES”

There are not any changes in the demographic in this area, and our waiting list is very short, when we have one at all. The City of Forest has a wide range of employment opportunities and the people do not want to pay the rent that is based on their income. We rent to people as soon as they get the money together, (all utilities are tenant paid).

We are air conditioning houses, and have installed new storm doors, trying to make them more attractive. We have a ceiling rent that has been effect for several years, trying to lower tenants rent.
