

TABLE OF CONTENTS

I. INTRODUCTION	I-1
A. OVERVIEW	I-2
1. Species Represented	I-2
2. Classification of Vernal Pools	I-8
a. Vernal Pool Types	I-8
b. Vernal Pool Regions	I-9
3. Factors in the Development of Vernal Pools	I-10
4. Physical Characteristics of Vernal Pools	I-11
5. Vernal Pool Communities	I-14
6. Major Threats to Vernal Pool Species	I-16
II. BIOLOGY OF COVERED SPECIES	II-1
A. Federally Listed Plant Species	II-1
1. <i>Castilleja campestris</i> ssp. <i>succulenta</i> (Fleshy Owl's-clover)	II-1
a. Description and Taxonomy	II-1
b. Historical and Current Distribution	II-3
c. Life History and Habitat	II-5
d. Reasons for Decline and Threats to Survival	II-7
e. Conservation Efforts	II-8
2. <i>Chamaesyce hooveri</i> (Hoover's Spurge)	II-10
a. Description and Taxonomy	II-10
b. Historical and Current Distribution	II-12
c. Life History and Habitat	II-14
d. Reasons for Decline and Threats to Survival	II-16
e. Conservation Efforts	II-17
3. <i>Eryngium constancei</i> (Loch Lomond Button-celery)	II-18
a. Description and Taxonomy	II-18
b. Historical and Current Distribution	II-19
c. Life History and Habitat	II-21
d. Reasons for Decline and Threats to Survival	II-22
e. Conservation Efforts	II-23
4. <i>Lasthenia conjugens</i> (Contra Costa Goldfields)	II-24
a. Description and Taxonomy	II-24
b. Historical and Current Distribution	II-25
c. Life History and Habitat	II-28
d. Reasons for Decline and Threats to Survival	II-30
e. Conservation Efforts	II-31
5. <i>Limnanthes floccosa</i> ssp. <i>californica</i> (Butte County Meadowfoam)	II-32
a. Description and Taxonomy	II-32
b. Historical and Current Distribution	II-33
c. Life History and Habitat	II-36
d. Reasons for Decline and Threats to Survival	II-40
e. Conservation Efforts	II-42

6. <i>Navarretia leucocephala</i> ssp. <i>pauciflora</i> (Few-flowered Navarretia)	II-43
a. Description and Taxonomy	II-43
b. Historical and Current Distribution	II-46
c. Life History and Habitat	II-47
d. Reasons for Decline and Threats to Survival	II-48
e. Conservation Efforts	II-48
7. <i>Navarretia leucocephala</i> ssp. <i>plieantha</i> (Many-flowered Navarretia)	II-49
a. Description and Taxonomy	II-49
b. Historical and Current Distribution	II-50
c. Life History and Habitat	II-52
d. Reasons for Decline and Threats to Survival	II-54
e. Conservation Efforts	II-54
8. <i>Neostapfia colusana</i> (Colusa Grass)	II-55
a. Description and Taxonomy	II-55
b. Historical and Current Distribution	II-58
c. Life History and Habitat	II-60
d. Reasons for Decline and Threats to Survival	II-62
e. Conservation Efforts	II-63
9. <i>Orcuttia inaequalis</i> (San Joaquin Valley Orcutt Grass) ..	II-64
a. Description and Taxonomy	II-64
b. Historical and Current Distribution	II-65
c. Life History and Habitat	II-68
d. Reasons for Decline and Threats to Survival	II-70
e. Conservation Efforts	II-71
10. <i>Orcuttia pilosa</i> (Hairy Orcutt Grass)	II-72
a. Description and Taxonomy	II-72
b. Historical and Current Distribution	II-73
c. Life History and Habitat	II-75
d. Reasons for Decline and Threats to Survival	II-77
e. Conservation Efforts	II-78
11. <i>Orcuttia tenuis</i> (Slender Orcutt Grass)	II-79
a. Description and Taxonomy	II-79
b. Historical and Current Distribution	II-80
c. Life History and Habitat	II-82
d. Reasons for Decline and Threats to Survival	II-84
e. Conservation Efforts	II-85
12. <i>Orcuttia viscida</i> (Sacramento Orcutt Grass)	II-87
a. Description and Taxonomy	II-87
b. Historical and Current Distribution	II-88
c. Life History and Habitat	II-88
d. Reasons for Decline and Threats to Survival	II-91
e. Conservation Efforts	II-92
13. <i>Parvisedum leiocarpum</i> (Lake County Stonecrop)	II-93
a. Description and Taxonomy	II-93
b. Historical and Current Distribution	II-95
c. Life History and Habitat	II-96
d. Reasons for Decline and Threats to Survival	II-97
e. Conservation Efforts	II-97
14. <i>Tuctoria greenei</i> (Greene's Tuctoria)	II-98
a. Description and Taxonomy	II-98

b.	Historical and Current Distribution	II-99
c.	Life History and Habitat	II-101
d.	Reasons for Decline and Threats to Survival ...	II-104
e.	Conservation Efforts	II-105
15.	<i>Tuctoria mucronata</i> (Solano Grass)	II-106
a.	Description and Taxonomy	II-106
b.	Historical and Current Distribution	II-107
c.	Life History and Habitat	II-107
d.	Reasons for Decline and Threats to Survival ...	II-109
e.	Conservation Efforts	II-110
B.	State-Listed Plant Species and Other Plant Species of Concern	
	II-111
1.	<i>Astragalus tener</i> var. <i>ferrisiae</i> (Ferris' Milk-vetch) ...	II-111
a.	Description and Taxonomy	II-111
b.	Historical and Current Distribution	II-112
c.	Life History and Habitat	II-114
d.	Reasons for Decline and Threats to Survival ...	II-115
e.	Conservation Efforts	II-115
2.	<i>Astragalus tener</i> var. <i>tener</i> (Alkali Milk-vetch)	II-116
a.	Description and Taxonomy	II-116
b.	Historical and Current Distribution	II-118
c.	Life History and Habitat	II-120
d.	Reasons for Decline and Threats to Survival ...	II-121
e.	Conservation Efforts	II-122
3.	<i>Atriplex persistens</i> (Vernal Pool Smallscale)	II-123
a.	Description and Taxonomy	II-123
b.	Historical and Current Distribution	II-124
c.	Life History and Habitat	II-127
d.	Reasons for Decline and Threats to Survival ...	II-127
e.	Conservation Efforts	II-128
4.	<i>Eryngium spinosepalum</i> (Spiny-sepaled Button-celery)	
	II-128
a.	Description and Taxonomy	II-128
b.	Historical and Current Distribution	II-130
c.	Life History and Habitat	II-132
d.	Reasons for Decline and Threats to Survival ...	II-133
e.	Conservation Efforts	II-134
5.	<i>Gratiola heterosepala</i> (Boggs Lake Hedge-hyssop) ...	II-134
a.	Description and Taxonomy	II-134
b.	Historical and Current Distribution	II-135
c.	Life History and Habitat	II-137
d.	Reasons for Decline and Threats to Survival ...	II-139
e.	Conservation Efforts	II-140
6.	<i>Juncus leiospermus</i> var. <i>ahartii</i> (Ahart's Dwarf Rush) .	II-142
a.	Description and Taxonomy	II-142
b.	Historical and Current Distribution	II-142
d.	Reasons for Decline and Threats to Survival ...	II-145
e.	Conservation Efforts	II-145
7.	<i>Legenere limosa</i> (Legenere)	II-146
a.	Description and Taxonomy	II-146
b.	Historical and Current Distribution	II-147
c.	Life History and Habitat	II-147

d.	Reasons for Decline and Threats to Survival . . .	II-149
e.	Conservation Efforts	II-150
8.	<i>Myosurus minimus</i> ssp. <i>apus</i> (Little Mousetail)	II-151
a.	Description and Taxonomy	II-151
b.	Historical and Current Distribution	II-152
c.	Life History and Habitat	II-155
d.	Reasons for Decline and Threats to Survival . . .	II-157
e.	Conservation Efforts	II-158
9.	<i>Navarretia myersii</i> ssp. <i>deminuta</i> (Small Pincushion Navarretia)	II-159
a.	Description and Taxonomy	II-159
b.	Historical and Current Distribution	II-161
c.	Life History and Habitat	II-161
d.	Reasons for Decline and Threats to Survival . . .	II-162
e.	Conservation Efforts	II-162
10.	<i>Plagiobothrys hystriculus</i> (Bearded Popcorn Flower) .	II-162
a.	Description and Taxonomy	II-162
b.	Historical and Current Distribution	II-163
c.	Life History and Habitat	II-164
d.	Reasons for Decline and Threats to Survival . . .	II-164
e.	Conservation Efforts	II-164
C.	Federally Listed Animal Species	II-166
1.	Delta Green Ground Beetle (<i>Elaphrus viridis</i>)	II-166
a.	Description and Taxonomy	II-166
b.	Historical and Current Distribution	II-167
c.	Life History and Habitat	II-169
d.	Reasons for Decline and Threats to Survival . . .	II-174
e.	Conservation Efforts	II-177
2.	Conservancy Fairy Shrimp (<i>Branchinecta conservatio</i>)	II-181
a.	Description and Taxonomy	II-181
b.	Historical and Current Distribution	II-181
c.	Life History and Habitat	II-183
d.	Reasons for Decline and Threats to Survival . . .	II-185
e.	Conservation Efforts	II-186
3.	Longhorn Fairy Shrimp (<i>Branchinecta longiantenna</i>) . .	II-186
a.	Description and Taxonomy	II-186
b.	Historical and Current Distribution	II-187
c.	Life History and Habitat	II-189
d.	Reasons for Decline and Threats to Survival . . .	II-190
e.	Conservation Efforts	II-190
4.	Vernal Pool Fairy Shrimp (<i>Branchinecta lynchi</i>)	II-191
a.	Description and Taxonomy	II-191
b.	Historical and Current Distribution	II-191
c.	Life History and Habitat	II-195
d.	Reasons for Decline and Threats to Survival . . .	II-198
e.	Conservation Efforts	II-200
5.	Vernal Pool Tadpole Shrimp (<i>Lepidurus packardi</i>)	II-203
a.	Description and Taxonomy	II-203
b.	Historical and Current Distribution	II-204
c.	Life History and Habitat	II-206
d.	Reasons for Decline and Threats to Survival . . .	II-208
e.	Conservation Efforts	II-209

D.	Animal Species of Concern	II-210
1.	Midvalley Fairy Shrimp (<i>Branchinecta mesovallensis</i>)	II-210
a.	Description and Taxonomy	II-210
b.	Historical and Current Distribution	II-210
c.	Life History and Habitat	II-211
d.	Reasons for Decline and Threats to Survival	II-213
e.	Conservation Efforts	II-214
2.	California Fairy Shrimp (<i>Linderiella occidentalis</i>)	II-214
a.	Description and Taxonomy	II-214
b.	Historical and Current Distribution	II-215
c.	Life History and Habitat	II-218
d.	Reasons for Decline and Threats to Survival	II-219
e.	Conservation Efforts	II-219
3.	Western Spadefoot Toad (<i>Spea hammondi</i>)	II-220
a.	Description and Taxonomy	II-220
b.	Historical and Current Distribution	II-223
c.	Life History and Habitat	II-226
d.	Reasons for Decline and Threats to Survival	II-232
e.	Conservation Efforts	II-234
III.	RECOVERY	III-1
A.	GOALS	III-1
B.	OBJECTIVES	III-2
C.	STRATEGY	III-3
1.	Individual Elements of the Recovery Strategy	III-5
a.	Habitat Protection	III-5
b.	Adaptive Habitat Management, Restoration, Creation, and Monitoring	III-6
c.	Status Surveys	III-10
d.	Research	III-11
e.	Participation and Outreach	III-11
2.	Recovery and Conservation Strategies for Specific Species in Addition to the Five Elements of the Recovery Strategy	III-13
a.	Plants	III-13
b.	Delta Green Ground Beetle	III-14
c.	Vernal Pool Fairy Shrimp	III-15
d.	Western Spadefoot Toad	III-15
D.	VERNAL POOL REGIONS	III-18
1.	Carrizo Vernal Pool Region	III-78
2.	Central Coast Vernal Pool Region	III-78
3.	Klamath Mountains Vernal Pool Region	III-79
4.	Lake-Napa Vernal Pool Region	III-80
5.	Livermore Vernal Pool Region	III-80
6.	Mendocino Vernal Pool Region	III-81
7.	Modoc Plateau Vernal Pool Region	III-81
8.	Northeastern Sacramento Valley Vernal Pool Region	III-82
9.	Northwestern Sacramento Valley Vernal Pool Region	III-82
10.	San Joaquin Valley Vernal Pool Region	III-83
11.	Santa Barbara Vernal Pool Region	III-83
12.	Solano-Colusa Vernal Pool Region	III-84
13.	Southeastern Sacramento Valley Vernal Pool Region	III-85

14. Southern Sierra Foothills Vernal Pool Region	III-85
15. Western Riverside County Vernal Pool Region	III-86
16. San Diego Vernal Pool Region	III-86
E. RECOVERY CRITERIA	III-87
1. Strategies for Accommodating and Addressing Uncertainties in Preliminary Recovery Criteria	III-88
a. Habitat Protection	III-88
b. Adaptive Habitat Management, Restoration, and Monitoring	III-90
c. Status Surveys	III-91
d. Research	III-92
e. Participation and Outreach	III-92
2. General Recovery Criteria	III-93
3. Rationale for Species-specific Recovery Criteria	III-117
IV. STEPDOWN NARRATIVE	IV-1
V. IMPLEMENTATION SCHEDULE	V-1
VI. REFERENCES	VI-1
A. Literature Cited	VI-1
B. Personal Communications	VI-37
C. <i>In Litt.</i> References	VI-39
VII. APPENDICES	A-1
A. List of Scientific and Common Names of Plants and Animals ...	A-1
B. Glossary of Technical Terms	B-1
C. Recovery Priority and Federal Register Notice Reference and Dates	C-1
D. Priorities for Recovery of Threatened and Endangered Species ..	D-1
E. Potential Contaminants Associated with Western Spadefoot Toad Habitat	E-1
F. Conservation Tools and Strategies	F-1
G. Information and Education Materials	G-1
H. Guidance to Minimize the Potential Transmission of Disease and Other Pathogens Between Aquatic Systems	H-1
I. Threats to the listed Vernal Pool Species and Steps Within The Recovery Plan for Threat Reduction or Elimination	I-1
J. Agency and Public Comment on the Draft Recovery Plan for Vernal Pool Ecosystems of California and Southern Oregon	J-1

LIST OF TABLES

Table I-1. Species addressed in the Recovery Plan for Vernal Pool Ecosystems of California and Southern Oregon	I-4
Table II-1. Western spadefoot toad count occurrence information	II-225
Table III-1. Species specific recovery criteria for species occurrence and habitat protection, reintroduction, and seed banking.	III-94

Table IV-1.	Areas for vernal pool site assessments	IV-4
Table IV-2.	Core areas for recovery of vernal pool plants and animals . . .	IV-6
Table IV-3.	Vernal pool plants that require seed collection and storage .	IV-41
Table IV-4.	Vernal pool shrimp that require collection of cyst-bearing soils	IV-43
Table IV-5.	Plant species for which reintroductions should be planned and implemented.	IV-45
Table IV-6.	Plant species for which introductions should be planned and implemented	IV-46
Table IV-7.	Life history types of vernal pool plants	IV-56
Table IV-8.	Potential landowner agreements on conservancy land	IV-68
Table IV-9.	Potential landowner/land manager agreements on public land	IV-70
