ORDER

Adopted: August 27, 2001

Released: August 28, 2001

By the Common Carrier Bureau, Accounting Policy Division:

1. The Common Carrier Bureau has under consideration a Waiver Request filed by Saint Ignatius Loyola Academy (St. Ignatius Loyola), Baltimore, Maryland. St. Ignatius Loyola seeks a waiver of the Commission’s rules governing discounts for services under the schools and libraries universal service support mechanism.¹ For the reasons set forth below, we deny St. Ignatius Loyola’s Waiver Request.

2. Under the schools and libraries universal service support mechanism, eligible schools, libraries, and consortia that include eligible schools and libraries, may apply for discounts for eligible telecommunications services, Internet access, and internal connections.² In order to receive discounts on eligible services, the Commission’s rules require that the applicant submit to the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator) a completed FCC Form 470, in which the applicant sets forth its technological needs and the services for which it seeks discounts.³ The Administrator must post the FCC Form 470 on its website, and the applicant is required to wait 28 days before making a commitment with a

selected service provider.⁴ Once the applicant has complied with the Commission's competitive bidding requirements and entered into an agreement for eligible services, it must file an FCC Form 471 application to notify the Administrator of the services that have been ordered, the carrier with whom the applicant has entered into an agreement, and an estimate of funds needed to cover the discounts to be given for eligible services.⁵ The Commission's rules allow the Administrator to implement an internal filing period ("filing window") for the FCC Form 471 applications that treats all schools and libraries filing within that period as if their applications were simultaneously received.⁶ Applications that are received outside this filing window are subject to separate funding priorities under the Commission's rules.⁷ It is to all applicants' advantage, therefore, to ensure that the Administrator receives their applications prior to the close of the filing window.

3. St. Ignatius Loyola requests a waiver of the Funding Year 3 application window, which closed on January 19, 2000. St. Ignatius Loyola submitted its FCC Form 471 on May 8, 2000, nearly four months after the close of the filing window.⁸ In its Waiver Request, St. Ignatius Loyola explains that it was confused about the funding year for which it was applying, and that as a result of "unclear communication" with SLD, St. Ignatius Loyola believed that the filing window deadline had been extended.⁹

4. We conclude that St. Ignatius Loyola has not demonstrated a sufficient basis for waiving the Commission's rules. Waiver is appropriate if special circumstances warrant a deviation from the general rule, and such deviation would better serve the public interest than strict adherence to the general rule.¹⁰ In requesting funds from the schools and libraries universal service support mechanism, the applicant has certain responsibilities. The applicant bears the burden of getting its forms and other information to SLD for processing within the established deadline if the applicant wishes to be considered with other in-window applicants.

5. The particular facts of this case do not rise to the level of special circumstances required for a deviation from the general rule. In light of the thousands of applications that SLD reviews and processes each year, it is administratively necessary to place on the applicant the responsibility of complying with all relevant rules and procedures.¹¹ In order for the program to work efficiently,

the applicant must assume responsibility for timely submission of its application materials if it wishes to be considered within the window. An applicant must take responsibility for the actions of those employees or agents to whom it gives responsibility for submitting timely and proper requests for discounts on its behalf. Here, St. Ignatius Loyola fails to present good cause as to why it could not timely file its application. We therefore find no basis for waiving the filing window deadline.

6. ACCORDINGLY, IT IS ORDERED, pursuant to authority delegated under sections 0.91, 0.291, 1.3, and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3, and 54.722(a), that the Waiver Request filed by St. Ignatius Loyola Academy, Baltimore, Maryland, on September 27, 2000 IS DENIED.
