

the academic community are the primary users of the data. Without this survey, these data users would have no industry data for analytical purposes. The Federal Reserve Board (FRB) uses the data to benchmark its monthly estimates of capacity output and utilization. In addition, FRB uses these data to analyze changes in the use of capital, capital stocks and inputs related to capacity growth. The Defense Logistics Agency (DLA) uses the data to assess industry readiness to meet demand for goods under selected national emergency scenarios pertaining to the National Defense Stockpile requirements planning process for strategic and critical materials.

SUPPLEMENTARY INFORMATION:

I. Abstract

The U.S. Department of Commerce's International Trade Administration, in collaboration with the International Fund for Ireland (IFI), has established the American Management & Business Internship Training (AMBIT) Program. AMBIT provides one-week to six-month training programs for managers and technical experts from Northern Ireland and the Border Counties of Ireland, thereby improving their skills while enhancing U.S. commercial opportunities in the region. AMBIT was launched in 1995 to demonstrate America's interest in supporting the peace process by encouraging economic development in Northern Ireland and the Six Border Counties of Ireland.

The U.S. Department of Commerce works in partnership with the IFI, an organization established in 1986 by the British and Irish Governments to promote economic/social progress and to encourage contact, dialog, and reconciliation in the region. The United States, the European Union, Canada, Australia, and New Zealand contribute to the IFI budget.

II. Method of Collection

Applications are sent to U.S. companies and intern candidates via facsimile, email or mail upon request by a delegated agency of the IFI. Feedback surveys are given to participating U.S. companies and interns at the completion of programs.

III. Data

OMB Number: 0625-0224.
