(9) To participate in special training courses or in institution work assignments, including Federal Prison Industries (FPI) work assignments, of 30 calendar days or less, when daily commuting from the institution is not feasible.

(b) The Warden may recommend a furlough for an inmate to obtain necessary medical, surgical, psychiatric, or dental treatment not otherwise available. Approval for a furlough of this type occurs in one of the following ways:

(1) Staff shall contact the Regional Health Services Administrator for approval when the cost of medical care is at the expense of the government. In case of medical emergency, staff may authorize a furlough for hospitalization and shall notify the Regional Health Services Administrator as soon after the emergency admission as possible.

(2) When medical care expenditures are borne by the inmate, or other non-governmental source, the furlough request requires the approval of the Medical Director and the Assistant Director, Correctional Programs Division.

(c) The Warden may refer a request for a furlough in other situations through the Regional Director to the Assistant Director, Correctional Programs Division for approval.

(a) Except as provided in paragraph (b) of this section, the Warden may grant a furlough only to an inmate with community custody.

(b) The Warden may grant a furlough to an inmate with "out" custody only when the furlough is for the purpose of transferring directly to another institution (except community corrections centers) or for obtaining local medical treatment not otherwise available at the institution.

(c) The Warden may grant a furlough only to an inmate the Warden determines to be physically and mentally capable of completing the furlough.

(d) The Warden may grant a furlough only to an inmate who has demonstrated sufficient responsibility to provide reasonable assurance that furlough requirements will be met.

(e) The Warden shall determine the eligibility of an inmate for furlough in accord with the inmate's anticipated release date and the basis for the furlough request.

(5) The Warden may approve an overnight furlough outside the institution's commuting area for an inmate with one year or less remaining until the inmate's anticipated release date. The Warden may ordinarily approve an overnight furlough not to exceed once each 90 days.

(6) If the Warden approves a furlough outside the above guidelines, the Warden shall document the reasons in the inmates's central file.

§ 570.35 Limitations on eligibility.

(a) The Warden ordinarily may not grant a furlough to an inmate convicted of a serious crime against the person and/or whose presence in the community could attract undue public attention, create unusual concern, or depreciate the seriousness of the offense. If the Warden approves a furlough for such an inmate, the Warden must place a statement of the reasons for this action in the inmate's central file.

(b) The Warden may approve a furlough for an inmate classified a central monitoring case upon compliance with the requirements of this rule and the requirements of part 524, subpart F.

(c) Staff at a contract facility may approve a furlough for a sentenced inmate housed in the contract facility as specified in that facility's written agreement with the Bureau of Prisons.
