Approval of Manufacturing Activity within Foreign-Trade Zone 62 Brownsville, TX, Amfels, Inc. (Offshore Drilling Platforms/Shipbuilding)

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u)(the Act), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Brownsville Navigation District, grantee of FTZ 62, has

requested authority under § 400.32(b)(1) of the Board's regulations on behalf of AMFELS, Inc., to manufacture mobile offshore drilling platforms under zone procedures within FTZ 62, Brownsville, Texas (filed 2-25-97, FTZ Docket A(32b1)-1-97; Doc. 67-97, assigned 8-20-97)

Whereas, pursuant to § 400.32(b)(1), the Commerce Department's Assistant Secretary for Import Administration has the authority to act for the Board in making such decisions on new manufacturing/processing activity under certain circumstances, including situations where the proposed activity is the same, in terms of products involved, to activity recently approved by the Board (§ 400.32(b)(1)(i)); and,

Determination Not To Revoke Antidumping Duty Orders and Findings Nor To Terminate Suspended Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce

ACTION: Determination not to revoke antidumping duty orders and findings nor to terminate suspended investigations

SUMMARY: The Department of Commerce is notifying the public of its determination not to revoke the antidumping duty order listed below.

EFFECTIVE DATE: September 16, 1997.

FOR FURTHER INFORMATION CONTACT: Michael Panfeld or the analyst listed under Antidumping Proceeding at: Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION: On August 13, 1997, the Department of Commerce (Commerce) published a Determination Not to Revoke Antidumping Duty Orders and Findings Nor to Terminate Suspended Investigations (62 FR 43316). In that notice, an interested party, Chemical Products Corporation, was inadvertently listed as an objector to the revocation of industrial belts and components and parts thereof, whether cured or uncured, except synchronous & v belts from Germany. This firm did not file such an objection. Chemical Products Corporation did however object to the revocation of precipitated barium carbonate from Germany. In addition, our August 13, 1997 notice inadvertently did not include the order on precipitated barium carbonate from Germany. This notice serves to correctly identify the sole objector for industrial belts and components and parts thereof, whether cured or uncured, except synchronous and v belts from Germany and to notify the public that we no longer intend to revoke the antidumping duty order on precipitated barium carbonate from Germany.

Television Receivers, Monochrome and Color, From Japan: Notice of Final Court Decision and Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final court decision and amended final results of administrative review.

SUMMARY: On July 3, 1996, the U.S. Court of Appeals for the Federal Circuit upheld the Department of Commerce's (the Department's) remand determination in this case. See *Fujitsu General Ltd. v. United States*, 88 F.3d 1034 (Fed. Cir. 1996). As there is now a final and conclusive court decision in this action, we are amending our final results of review in this matter and we will subsequently instruct the Customs Service to liquidate entries subject to this review.

EFFECTIVE DATE: September 16, 1997.

FOR FURTHER INFORMATION CONTACT: Irene Darzenta or Sheila Forbes, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-6320 and (202) 482-0065, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 11, 1991, the Department published its final results of administrative review of television receivers, monochrome and color, from Japan covering imports from 11 manufacturers/exporters during various

periods, including imports from Fujitsu General Limited (FGL) for the periods March 1, 1986 through February 28, 1987; March 1, 1987 through February 29, 1988; and March 1, 1989 through February 28, 1990. See *Television Receivers, Monochrome and Color, from Japan: Final Results of Antidumping Duty Administrative Review*, 56 FR 25392. Subsequently, FGL challenged the final results before the United States Court of International Trade (CIT). Following a voluntary remand, the Department issued a redetermination which was affirmed by the CIT on March 14, 1995. See *Fujitsu General Limited v. United States*, 883 F.Supp. 728 (CIT 1995). Subsequently, an appeal was filed by FGL.

On July 3, 1996, the U.S. Court of Appeals for the Federal Circuit upheld the Department's remand determination. See *Fujitsu General Limited v. United States*, 88 F.3d 1034 (Fed. Cir. 1996). As there is now a final and conclusive court decision in this action, we are amending our final results of review in this matter and we will subsequently instruct the U.S. Customs Service to liquidate entries subject to this review.

Amendment to Final Result of Review

Pursuant to 19 U.S.C. 1516a(e), we are now amending the final results of administrative review for television receivers, monochrome and color, from Japan, with respect to FGL, for the above-referenced periods. The revised weighted-average margin for these periods is 26.17 percent.

Accordingly, the Department will determine, and the Customs Service will assess, antidumping duties on all appropriate entries of the subject merchandise made by FGL and covered by this review. Individual differences between United States price and foreign market value may vary from the percentage stated above. The Department will issue appraisal instructions directly to the Customs Service. Furthermore, the cash deposit rate for FGL which will be effective upon publication of these amended final results of review for all shipments of the subject merchandise made by FGL entered, or withdrawn from warehouse, for consumption on or after the publication date, and will remain in effect until publication of the final results of the next administrative review, will be 26.17 percent.

Dated: September 10, 1997.

Jeffrey P. Bialos,

Acting Assistant Secretary for Import Administration.
