WICKED

Back by "Popular" Demand. *The New York Times* calls WICKED "Broadway's biggest blockbuster," and when it first played Portland in 2006, it broke box office records and sold out in record time. Winner of 20 major awards, including a Grammy and three Tony Awards, WICKED.

Long before that girl from Kansas arrives in Munchkinland, two girls meet in the land of Oz. One - born with emerald green skin - is smart, fiery and misunderstood. The other is beautiful, ambitious and very popular. How these two grow to become the Wicked Witch of the West and Glinda the Good Witch makes for "the most completely satisfying new musical in a long time" (*USA Today*).
