

I consider a call from anyone who is not family or a friend to be an invasion of my privacy. No business, charity or political party has my permission to call me unless the call directly relates to an existing transaction that I initiated. I will not purchase from, donate to or consider voting for any entity that makes a "cold call" to me. I don't want them to even ring my phone and I will do everything in my power to stop them from doing so. I promise to be rude, obnoxious and vile to any caller meeting this criteria and I demand that the FCC protect my right to privacy.
