INSTRUCTIONS FOR THE PREPERATION OF PROPOSAL

PRICE PROPOSAL INSTRUCTIONS
The attached pricing form shall be completed and returned with the Offeror's Proposal. Please submit a fixed price for each line item listed in the Pricing Form (Attachment A) in accordance with the Technical Specification. Prices will be fixed for a two year period.
This section of the proposal shall also include a completed Representations and Certifications form found in Enclosure 6.

TECHNICAL PROPOSAL INSTRUCTIONS
The Offeror's technical proposal shall outline each individual requirement listed in the Technical Specification and indicate how it intends to meet each requirement.

ATTACHMENT A - PRICING FORM
SHEILDED WASTE CASK ASSEMBLY PROPSAL PRICING

COMPANY NAME_____ **DATE:** _____

1.   Concrete Shielded Waste Cask Assembly consisting of the following items specified in the statement of work:

   a. (1) each Concrete Shielded Receiver

   b. (1) each Primary Container – Concrete Cask

   PRICE Per Cask _____ **x 20 (minimum) = Total**_____

2.   Shielded Waste Cask Assembly consisting of the following items specified in the statement of work:

   a. (1) each Lead Shielded Receiver Kit

   b. (1) each Primary Container – Lead Cask

   PRICE Per Cask _____ **x 12 (minimum) = Total**_____

   TOTAL COST $_____

Discounts based on quantity for each delivery order should not be considered for award. In most cases we will order casks one at a time or a few at a time. However the contract minimum quantity is specified to achieve better initial pricing.

Concrete Shielded Waste Cask Assemblies: minimum of 20   maximum of 40

Lead Shielded waste cask Assemblies: minimum of 12   maximum of 28

   • The average price for each type of cask will be summed and the sum used to establish the lowest bid.

LEAD TIME AFTER RECEIPT OF ORDER _____ **DAYS**

Offeror accepts the terms listed above and takes no exception to Battelle's General Provisions in Enclosure 5 and confirms that proposal meets the technical requirements listed in Enclosure 4.

Items shall be delivered FOB Destination with freight included within pricing.
