

6. Budget (Not Scored)

Is the itemized budget for conducting the project, along with justification, reasonable and consistent with stated objectives, the five-year strategy and goals of the President's Emergency Plan and Emergency Plan, and planned program activities?

V.2. Review and Selection Process

The HHS/CDC Procurement and Grants Office (PGO) staff will review applications for completeness, and HHS Global AIDS program will review them for responsiveness. Incomplete applications and applications that are non-responsive to the eligibility criteria will not advance through the review process. Applicants will receive notification that their application did not meet submission requirements.

An objective review panel will evaluate complete and responsive applications according to the criteria listed in the "V.1. Criteria" section above. All persons who serve on the panel will be external to the U.S. Government Country Program Office. The panel may include both Federal and non-Federal participants.

In addition, the following factors could affect the funding decision:

While U.S.-based organizations are eligible to apply, we will give preference to existing national/Tanzanian organizations. It is possible for one organization to apply as lead grantee with a plan that includes partnering with other organizations, preferably local. Although matching funds are not required, preference will be go to organizations that can leverage additional funds to contribute to program goals.

Applications will be funded in order by score and rank determined by the review panel. HHS/CDC will provide justification for any decision to fund out of rank order.

In addition, the following factors may affect the funding decision:

- Maintaining geographic diversity

Fees for Sanitation Inspections of Cruise Ships

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: This notice announces fees for vessel sanitation inspections for

fiscal year 2006 (October 1, 2005, through September 30, 2006).

FOR FURTHER INFORMATION CONTACT: David Forney, Chief, Vessel Sanitation Program, Division of Emergency and Environmental Health Services (EEHS), National Center for Environmental Health (NCEH), telephone (770) 488-7333 or e-mail *DForney@cdc.gov*.

SUPPLEMENTARY INFORMATION:

Purpose and Background

The fee schedule for sanitation inspections of passenger cruise ships inspected under the Vessel Sanitation Program (VSP) was first published in the **Federal Register** on November 24, 1987 (52 FR 45019), and CDC began collecting fees on March 1, 1988. Since then, CDC has published the fee schedule annually. This notice announces fees effective October 1,

2005. The formula used to determine the fees is as follows:

$$\text{Average Cost Per Inspection} = \frac{\text{Total Cost of VSP}}{\text{Weight Number of Annual Inspection}}$$

The average cost per inspection is multiplied by a size/cost factor to determine the fee for vessels in each size category. The size/cost factor was established in the proposed fee schedule published in the **Federal Register** on July 17, 1987 (52 FR 27060), and revised in a schedule published in the **Federal Register** on November 28, 1989 (54 FR 48942). The revised size/cost factor is presented in Appendix A.

Fees

The fee schedule (Appendix A) will be effective October 1, 2005, through September 30, 2006. The fee schedule,

which became effective October 1, 2001, will remain the same in Fiscal year 2006. If travel expenses continue to increase, the fees may be adjusted before September 30, 2006, since travel constitutes a sizable portion of VSP's costs. If an adjustment is necessary, a notice will be published in the **Federal Register** 30 days before the effective date.

Applicability

The fees will apply to all passenger cruise vessels for which inspections are conducted as part of CDC's VSP.

Dated: August 30, 2005.

Kenneth Rose,

Acting Director, Centers for Disease Control and Prevention (CDC), NCEH/ATSDR Office of Policy, Planning, and Evaluation.
