

Wiggles, Wags, & Whiskers (WW&W) is a leading US manufacturer of beautiful dog collars, harnesses, and leads. As a leader in the pet industry, WW&W offers numerous product styles including buckle collars, double loop (martingale style) collars, and our US Patented Comfort Control No-Pull Harness. Each product style is available in a variety of pricing categories from entry level pricing to high-end.

Wiggles, Wags, & Whiskers unique patented harness design minimizes/eliminates pulling, neck strain, and the chance of escape. Also found to assist dogs with amputations or arthritis. Constructed of industrial strength nylon webbing, the Comfort Control No-Pull harness features solid stainless steel hardware, sturdy quick release buckles, reinforced X- stitching and a comfort conscious design that keeps webbing edges turned out to prevent irritation. Additionally, this harness features a luxurious Swiss Velvet lined chest strap to inhibit chafing behind the front legs. The Comfort Control No-Pull Harness is available in 5/8" and 1" widths for dogs 15lbs to 250lbs.

Wiggles, Wags, & Whiskers Elite Collar and lead collection features beautiful exterior trim, luxurious Swiss Velvet lining and solid brass hardware. These amazing collars are available in 5/8", 1", 1.5", and 2" widths for dogs 15lbs to 250lbs.

All Wiggles, Wags, & Whiskers products are handcrafted in the USA and feature our industry leading lifetime structural warranty. All products may be hand washed and line dried.
