Parties can find a complete discussion of the issues raised in this administrative review and the corresponding recommendations in this public memorandum which is on file in the Central Records Unit of the main Department building. In addition, a copy of the *Final Decision Memo* can

Rescission of Review

In our *Preliminary Rescission*, in accordance with 19 CFR 351.213(d)(3), we preliminarily rescinded the review for all four orders for Truper. For these final results, in accordance with 19 CFR 351.213(d)(3), we are continuing to rescind this administrative review with respect to all four orders for Truper. The Department verified data from Truper, which supports its claim that it did not export subject merchandise to the United States during the POR. Furthermore, no party placed evidence on the record demonstrating that Truper exported the merchandise identified above during the POR to the United States since the issuance of the *Preliminary Rescission*. Therefore, in accordance with 19 CFR 351.213(d)(3) and consistent with the Department's practice, we are rescinding this administrative review with respect to the hammers/sledges, picks/mattocks, axes/adzes, and bars/wedges for Truper.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a) and 777(i) of the Tariff Act of 1930, as amended.

Dated: August 28, 2008.

BACKGROUND:

Title V of the Trade and Development Act of 2000 (the Act) created two tariff rate quotas (TRQs), providing for temporary reductions in the import duties on limited quantities of two categories of worsted wool fabrics suitable for use in making suits, suit-type jackets, or trousers: (1) for worsted wool fabric with average fiber diameters greater than 18.5 microns (Harmonized Tariff Schedule of the United States (HTS) heading 9902.51.11); and (2) for worsted wool fabric with average fiber diameters of 18.5 microns or less (HTS heading 9902.51.12). 9902.51.15 (previously 9902.51.12), to an annual total level of 5 million square meters and extending it through 2006. On August 17, 2006 the Act was further amended pursuant to the Pension Protection Act of 2006, Public Law 109-280, which extended both TRQs, 9902.51.11 and 9902.51.15, through 2009.

The Act requires that the TRQs be allocated to persons who cut and sew men's and boys' worsted wool suits, suit-type jackets and trousers in the United States.
