

## National Park Service, Interior

## §2.4

be in accordance with the laws and regulations of the State within whose exterior boundaries a park area or portion thereof is located. Nonconflicting State laws are adopted as a part of these regulations.

(b) State fishing licenses are not required in Big Bend, Crater Lake, Denali, Glacier, Isle Royale (inland waters only), Mammoth Cave, Mount Rainer, Olympic and Yellowstone National Parks.

(c) Except in emergencies or in areas under the exclusive jurisdiction of the United States, the superintendent shall consult with appropriate State agencies before invoking the authority of §1.5 for the purpose of restricting or closing park areas to the taking of fish.

(d) The following are prohibited:

(1) Fishing in fresh waters in any manner other than by hook and line, with the rod or line being closely attended.

(2) Possessing or using as bait for fishing in fresh waters, live or dead minnows or other bait fish, amphibians, nonpreserved fish eggs or fish roe, except in designated waters. Waters which may be so designated shall be limited to those where non-native species are already established, scientific data indicate that the introduction of additional numbers or types of non-native species would not impact populations of native species adversely, and park management plans do not call for elimination of non-native species.

(3) Chumming or placing preserved or fresh fish eggs, fish roe, food, fish parts, chemicals, or other foreign substances in fresh waters for the purpose of feeding or attracting fish in order that they may be taken.

(4) Commercial fishing, except where specifically authorized by Federal statutory law.

(5) Fishing by the use of drugs, poisons, explosives, or electricity.

(6) Digging for bait, except in privately owned lands.

(7) Failing to return carefully and immediately to the water from which it was taken a fish that does not meet size or species restrictions or that the person chooses not to keep. Fish so released shall not be included in the catch or possession limit: *Provided*,

That at the time of catching the person did not possess the legal limit of fish.

(8) Fishing from motor road bridges, from or within 200 feet of a public raft or float designated for water sports, or within the limits of locations designated as swimming beaches, surfing areas, or public boat docks, except in designated areas.

(e) Except as otherwise designated, fishing with a net, spear, or weapon in the salt waters of park areas shall be in accordance with State law.

(f) Authorized persons may check fishing licenses and permits; inspect creels, tackle and fishing gear for compliance with equipment restrictions; and inspect fish that have been taken for compliance with species, size and other taking restrictions.

(g) The regulations contained in this section apply, regardless of land ownership, on all lands and waters within a park area that are under the legislative jurisdiction of the United States.

### §2.4 Weapons, traps and nets.

(a)(1) Except as otherwise provided in this section and parts 7 (special regulations) and 13 (Alaska regulations), the following are prohibited:

- (i) Possessing a weapon, trap or net
- (ii) Carrying a weapon, trap or net
- (iii) Using a weapon, trap or net

(2) Weapons, traps or nets may be carried, possessed or used:

(i) At designated times and locations in park areas where:

(A) The taking of wildlife is authorized by law in accordance with §2.2 of this chapter;

(B) The taking of fish is authorized by law in accordance with §2.3 of this part.

(ii) When used for target practice at designated times and at facilities or locations designed and constructed specifically for this purpose and designated pursuant to special regulations.

(iii) Within a residential dwelling. For purposes of this subparagraph only, the term "residential dwelling" means a fixed housing structure which is either the principal residence of its occupants, or is occupied on a regular and recurring basis by its occupants as

an alternate residence or vacation home.

(3) Traps, nets and unloaded weapons may be possessed within a temporary lodging or mechanical mode of conveyance when such implements are rendered temporarily inoperable or are packed, cased or stored in a manner that will prevent their ready use.

(b) Carrying or possessing a loaded weapon in a motor vehicle, vessel or other mode of transportation is prohibited, except that carrying or possessing a loaded weapon in a vessel is allowed when such vessel is not being propelled by machinery and is used as a shooting platform in accordance with Federal and State law.

(c) The use of a weapon, trap or net in a manner that endangers persons or property is prohibited.

(d) The superintendent may issue a permit to carry or possess a weapon, trap or net under the following circumstances:

(1) When necessary to support research activities conducted in accordance with § 2.5.

(2) To carry firearms for persons in charge of pack trains or saddle horses for emergency use.

(3) For employees, agents or cooperating officials in the performance of their official duties.

(4) To provide access to otherwise inaccessible lands or waters contiguous to a park area when other means of access are otherwise impracticable or impossible.

Violation of the terms and conditions of a permit issued pursuant to this paragraph is prohibited and may result in the suspension or revocation of the permit.

(e) Authorized Federal, State and local law enforcement officers may carry firearms in the performance of their official duties.

(f) The carrying or possessing of a weapon, trap or net in violation of applicable Federal and State laws is prohibited.

(g) The regulations contained in this section apply, regardless of land ownership, on all lands and waters within a

### § 2.5 Research specimens.

(a) Taking plants, fish, wildlife, rocks or minerals except in accordance with other regulations of this chapter or pursuant to the terms and conditions of a specimen collection permit, is prohibited.

(b) A specimen collection permit may be issued only to an official representative of a reputable scientific or educational institution or a State or Federal agency for the purpose of research, baseline inventories, monitoring, impact analysis, group study, or museum display when the superintendent determines that the collection is necessary to the stated scientific or resource management goals of the institution or agency and that all applicable Federal and State permits have been acquired, and that the intended use of the specimens and their final disposal is in accordance with applicable law and Federal administrative policies. A permit shall not be issued if removal of the specimen would result in damage to other natural or cultural resources, affect adversely environmental or scenic values, or if the specimen is readily available outside of the park area.

(c) A permit to take an endangered or threatened species listed pursuant to the Endangered Species Act, or similarly identified by the States, shall not be issued unless the species cannot be obtained outside of the park area and the primary purpose of the collection is to enhance the protection or management of the species.

(d) In park areas where the enabling legislation authorizes the killing of wildlife, a permit which authorizes the killing of plants, fish or wildlife may be issued only when the superintendent approves a written research proposal and determines that the collection will benefit science or has the potential for improving the management and protection of park resources.

(e) In park areas where enabling legislation does not expressly prohibit the killing of wildlife, a permit authorizing the killing of plants, fish or wildlife
