

Deer Flat National Wildlife Refuge Presents...

Wild About Life

Lecture Series

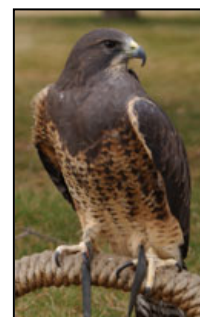

~ Upcoming Lectures ~

January 9th, Tuesday – Idaho's Winter Birds of Prey

Raptors that spend winters in Idaho and how to identify them. Plus, meet two *LIVE* majestic birds! This presentation will captivate adults and children alike.

Barbara Forderhase, Snake River Birds of Prey National Conservation Area

February 6th, Tuesday– Wolf Ecology and Management in Idaho

Dynamics of a wolf pack throughout the seasons and key management concerns including livestock depredation, hunting issues, dogs, and human safety. After the presentation participants are invited to attend the Friends of Deer Flat Wildlife Refuge general meeting.

Michael Lucid, Idaho Fish and Game

March 13th, Tuesday – Native Plants and Xeriscape gardening

Landscaping with native and drought resistant plants.

Susan Belle, University of Idaho Ada County Extension

When : 7:00-8:00 pm, one Tuesday a month

Where : Deer Flat National Wildlife Refuge Visitor Center on Lake Lowell
