LENGTH OF INTERVIEW:	MINS.	OUTCOME CODE:

Hello. May I speak with \_\_\_\_\_\_? This is (<u>Anissa Vines/Carole Brady</u>) with the Uterine Fibroid Study. (I/We) recently sent you a letter thanking you for your participation and asking for your help collecting additional information about racism.

Did you get a chance to read the letter? (YES/NO)

[IF NO:] Well, let me tell you what (I/we) need your help with. (I/We) mentioned in the letter that one of the results so far confirm that we, Black women, have higher rates of fibroids than White women. Now, as a Black woman with the fibroid research team, (I am/we are) looking at the role stress may play. We asked about stress in the questionnaire you completed, but we did not ask about the stressful experiences of racism. To address this, (I/we) need your help!

Do you have time for me to tell you a little about the questionnaire?

#### [IF YES, CONTINUE:]

[IF YES:] Great!

The questions I would like to ask are direct questions about racism that are difficult for some people to answer. The interview should take about 15-20 minutes. You may refuse to answer any question and may stop the interview at any time without giving reason.

Your participation is voluntary and all information collected will be kept confidential. Your refusal to participate will not affect your participation in the overall Uterine Fibroid Study or the services you receive at your health provider. As (I/we) mentioned in the letter regarding this project, a small gift of \$5.00 will be mailed to you after the interview.

Would you be willing to participate in a 20-minute telephone interview about your experience of racism?

[IF YES, CONTINUE:] Is this a good time for you?

[IF YES:] (RESPONDENT HAS TIME TO LISTEN NOW) Thank you for agreeing. Do you have any questions? This project has been reviewed and approved by the Institutional Review Board on Research Involving Human Subjects.

#### GO TO THE QUESTIONNAIRE

#### [IF CALLING AT A BAD TIME, SCHEDULE A CALLBACK; OTHERWISE CONTINUE:]

[IF NO:] (RESPONDENT DOES NOT HAVE TIME RIGHT NOW) When would be a good time to call back?

[RECORD DAY, DATE, TIME (AM OR PM ) ON THE CONTACT RECORD AND TELEPHONE INTERVIEW APPOINTMENT CALENDAR. CONFIRM THAT SHE WANTS TO BE CALLED AT THIS NUMBER.]

THIS NUMBER.]
Thank you very much. I'll call you back on (REPEAT DAY, DATE, AND TIME).
[IF NO:] (RESPONDENT DOES NOT WANT TO PARTICIPATE) Okay. But, it would be helpful to the study to know why you are choosing not to participate. Is it because
a) you don't like to talk about racism? [RESPONSE]
b) you don't have time? [RESPONSE]2
e) you don't think studying racism is important? [RESPONSE]
d) or some other reason?4  SPECIFY:
RESPOND TO THE RESPONDENT USING THE FOLLOWING:
a) Yes, racism is a difficult topic to discuss but you do not have to answer any question that you are uncomfortable with answering. Would you reconsider?
b) I understand, but perhaps I can call you back at a better time? Would you reconsider?
c) Racism is important to study. Racism can cause stress and can be associated with high blood pressure. Would you reconsider?
ANSWERING MACHINE SCRIPT: Hello, I'm calling for (Ms). This is (Anissa
Vines/Carole Brady). I am calling about a letter that was recently sent to you from the National Institute of

Environmental Health and CODA. I'll call again in a few days but if you have questions please call me at 1-800-948-7552 extension 169 or Glenn Heartwell at extension 127. I look forward to speaking with you.

Thank you. Good bye.
