OFFICE-BASED TREATMENT OF OPIOID DEPENDENCE WITH BUPRENORPHINE

Please register for one of the following conference dates below:

THURSDAY, DECEMBER 4, 2003

THE NEW YORK BOTANICAL GARDEN
Bronx River Parkway at Fordham Road
Bronx, New York

OR

FRIDAY, DECEMBER 5, 2003

THE MARRIOTT AT THE BROOKLYN BRIDGE
333 Adams Street
Brooklyn, New York

This program is part of a national training initiative, which has been endorsed by the Federal Center for Substance Abuse Treatment (CSAT) and is sponsored by The American Osteopathic Academy of Addiction Medicine in collaboration with the New York City Department of Health and Hygiene.

Physicians who complete this course will be eligible to request a waiver to practice medication-assisted addiction therapy with Buprenorphine, for the treatment of opioid dependence.

PROGRAM OVERVIEW

The Drug Addiction Treatment Act of 2000 (PL106-310, Section 3502) permits physicians who are trained or experienced in opioid addiction treatment to obtain waivers to prescribe certain narcotic drugs in Schedule III, IV, or V of the Controlled Substances Act, in their office practices or in a clinic setting, for the treatment of opioid dependence. Both buprenorphine and the combination of buprenorphine with naloxone are approved by the FDA for use in detoxification and maintenance treatment of opioid dependence.

As of the requirements to obtain the waiver, physicians without specified experience must complete not less than 8 hours of training. Physicians who complete this course will meet the training qualification under the new law and will receive a certificate of attendance suitable to send to the Secretary of HHS along with the request for the waiver. If you give AOAAM permission to do so, AOAAM will report your name directly to the Secretary of HHS within 4 weeks of the program, if you have attended the full 8 hours, eliminating the need for you to send the certificate of attendance.

WHO SHOULD ATTEND

This program is recommended for primary care, pain management, psychiatric, HIV and addiction medicine physicians.

CONTINUING MEDICAL EDUCATION

This program anticipates being approved for 8.0 AOA Category 1-A CME credit hours pending approval by the AOA CCME. It is also approved for 8.0 AAFP Prescribed Credit hours which are eligible for the AMA's Physician Recognition Award Credit.

SPONSORSHIP

- Sponsored by the American Osteopathic Academy of Addiction Medicine (AOAAM).
- Co-sponsored by the New York City Department of Health and Mental Hygiene.
- Unrestricted Medical Education Grant provided by Reckitt Benckiser.

PROGRAM FACULTY

TIMOTHY FISCHER, DO
COURSE DIRECTOR
South Carolina

LAWRENCE S. BROWN, JR., M.D., M.P.H., FASAM
PRESIDENT, ASAM
Brooklyn, New York

MARGARET KOTZ, DO
Cleveland, Ohio

JAMES J. MANLANDRO, DO, FAOAAM
Dennisville, New Jersey

KAREN SEES, DO, FAOAAM
Patomac, Maryland

PROGRAM OBJECTIVES

After attending this session, participants will be able to:

- Describe prerequisites for a physician to begin to prescribe buprenorphine in office-based practice
- Discuss clinically relevant pharmacological characteristics of buprenorphine
- Identify factors to consider in determining if a patient is an appropriate candidate for office-based treatment
- Describe induction and maintenance protocols
- Discuss strategies for integrating psychosocial care with office-based pharmacological treatment
- Discuss treatment strategies for management of chronic and acute pain in patients in maintenance treatment for opioid dependence

PROGRAM SCHEDULE

7:00 AM REGISTRATION & PRE-COURSE QUESTIONNAIRE SIGN IN
INTRODUCTION – Course Description
The New Law: DATA 2000
Basic Opioid Pharmacology
Questions & Answers

10:00 AM BREAK – FOLLOWED BY MANDATORY SIGN IN
Buprenorphine Pharmacology
Medical Co-Morbidities
Questions and Answers

NOON BREAK/ BOX LUNCH
Psych – Co-Morbidities
Patient Selection, Assessment & Induction
Treatment of Pain in Patients with an Addiction
Questions and Answers

2:00 PM BREAK – FOLLOWED BY MANDATORY SIGN IN
Special Populations
Clinical Management of Buprenorphine
Medical Record Keeping, Informed Consent, Confidentiality, Urine Testing and Office Security
Case Presentation and clinical vignettes
Post Course Assessment & Questionnaire

6:00 PM MANDATORY SIGN OUT

PLEASE COMPLETE THIS FORM AND SUBMIT BY MAIL OR FAX (INFORMATION BELOW).

I will attend Bronx on 12.4.03 Brooklyn on 12.5.03
