## 310 Certificate of Mailing

---

### 311 Description

Certificates of mailing furnish evidence of mailing only. A receipt is not obtained on delivery of the mail to the addressee. The fee paid for certificates of mailing does not insure the item against loss or damage.

### 312 Availability

Customers can purchase a certificate of mailing when they send unregistered letter-post, post/postal cards, matter for the blind, and uninsured parcel post or require a duplicate of an original certificate that pertained to a previously mailed item. A certificate of mailing cannot be obtained in combination with registered mail, insured parcel post, recorded delivery, or bulk mailings of 200 pieces or more that bear a permit imprint.

### 313 Fees

#### 313.1 Individual Pieces

The fee for certificates of mailing for ordinary letter-post and ordinary parcel post is \$0.90 per piece, whether the item is listed individually on PS Form 3817, *Certificate of Mailing*, or on firm mailing bills. Additional copies of PS Form 3817 or firm mailing bills are available for \$0.90 per page. PS Form 3877, *Firm Mailing Book for Accountable Mail*, or forms printed at the mailer's expense may be used for certificates of three or more pieces of mail of any class presented at one time. If mailer-printed forms are used instead of PS Form 3877, these forms must contain, at a minimum, the same information as PS Form 3877. The fee is \$0.30 per article.

**313.2 Bulk Pieces**

Identical pieces of ordinary letter-post mail that are paid for with regular postage stamps, precanceled stamps, or meter stamps are subject to the following certificate of mailing fees:

Up to 1,000 pieces	\$4.50
Each additional 1,000 pieces or fraction	0.50
Duplicate copy	0.90

**314 Processing Requests****314.1 Forms****314.11 Postal Service Forms**

The forms used for domestic mail are also used for international mail (see DMM S914).

**314.12 Treasury Department Forms**

- a. The sender may receive a certificate of mailing on Treasury Department (Internal Revenue) Forms P.T. 26, 27-A, or 550, certifying that the sender has waived the right to withdraw the item from the mail. The certificate of mailing fees apply to these forms.
- b. Post offices may also certify, on Customs Form 4455, *Certificate of Registration*, the exportation by mail of items sent abroad for alteration, repair, or replacement (see 713.43). The certificate of mailing fees apply to each completed form.

**314.13 Agriculture Department Forms**

Certain certificates or permits are required for the exportation of dried whole eggs and for tobacco seeds and plants. For procedures and fees, see 550 and 560, respectively.

**314.2 Preparation****314.21 Sender's Responsibility**

Sender must:

- a. Prepare certificate as prescribed in DMM S914.
- b. Use a typewriter, ink, or ballpoint pen.
- c. Affix postage stamps or postage meter stamps *to the certificate* to cover fees or purchase a postage validation imprinter (PVI) label to be affixed by the accepting clerk.
- d. If certificate is an additional one for the same item, endorse it "DUPLICATE" or "COPY."
- e. Return certificate to the accepting clerk.

**314.22 Accepting Clerk's Responsibility**

Accepting clerk must:

- a. Make sure that the form has been properly completed and that the correct amount of postage has been affixed.
- b. Cancel the stamps with a postmark showing the current date.
- c. Sign the Treasury Department forms described in 314.12.

**Note:** This is the only instance in which certification requires signatures or initials of postal employees.

- d. Return the form to the sender.

**Exception:** Permits for mailing tobacco seeds and tobacco plants are retained by the post office and forwarded to the Agriculture Department (see 560).

## 320 Insurance

---

**321 Description**

Insurance affords a means of coverage against loss, rifling, or damage to parcel post. Compensation is payable at various levels, according to the fee paid.

**322 Availability**

Insurance is available only for parcel post and only to certain countries. See Individual Country Listings. Insurance is not available for letter-post items.

**323 Fees and Insured Value****323.1 Insurance Fees**

The insurance fee is in addition to postage and other applicable fees. See Individual Country Listings.

**323.2 Insured Value****323.21 Maximum**

The insured value (insurance coverage) of a parcel may not be more than the maximum allowed for the country of destination. See Individual Country Listings.

**323.22 Insured Value vs. Declared Value**

The insured value (insurance coverage) of a parcel may not be more than the declared value of the contents. However, insured value may be less than declared value, depending on the wish of the sender.

**323.23 Computation**

The insurance fee is based on the insured value.

**324 Processing Requests****324.1 Mailing Receipt and Insurance Number****324.11 General Use**

All international parcels *must* be numbered. PS Form 3813-P, *Receipt for Insured Mail — Domestic-International* (label), provides a numbered insurance label for the parcel and an identically numbered mailing receipt for the sender. The receipt is issued to the sender as proof of mailing and proof of payment of insurance fee. For volume mailers, use PS Form 3877, *Firm Mailing Book for Accountable Mail*, as sender's receipt. Only labels printed by the Postal Service may be used on international insured mail.

**324.12 Accepting Clerk's Responsibility**

Accepting clerk must:

- a. Tear off the numbered insurance label and affix it to the parcel close to the address.
- b. Complete the receipt part of PS Form 3813-P to show city and country of destination, postage, insured value (insurance coverage), and insurance fee; the special handling and/or return receipt fees (if applicable); and total charge, and check special contents indication (fragile, liquid, perishable), if applicable.
- c. Postmark and initial the receipt and issue it to the sender.
- d. For federal government official parcels (see 143.1) presented for insurance, indicate the amount of the fee, according to the authorized amount of insurance requested.

**324.13 Sender's Responsibility**

Sender should enter name and address of addressee on mailing receipt and retain it. The receipt must be submitted if the sender wishes to make an inquiry about, or file a claim for, an insured parcel (see Chapter 9).

## 324.2 Marking

### 324.21 Sender's Responsibility

Sender must:

- a. Mark parcels containing fragile or perishable articles with the appropriate endorsement; e.g., "FRAGILE," "PERISHABLE," or "GLASS," etc.
- b. Enter the insured amount in U.S. currency (figures only) in the appropriate space on the customs declaration.

### 324.22 Retail Employee's Responsibility

Retail employee must:

- a. Indicate on the parcel the amount for which the parcel is insured. The amount must be written in ink and expressed in U.S. currency (figures) and special drawing rights (SDR) values. Indicate the SDR values in figures only. For example:

INSURED VALUE  
\$100 (U.S.)  
78.28 SDR

- b. See [Exhibit 324.22](#) for an SDR conversion table for all U.S. dollar values up to \$600. To determine SDR equivalents above \$600, the acceptance employee must multiply the insured amount, rounded up to the next full dollar, by the conversion factor 0.7828.

**Note:** The conversion of U.S. dollars into SDR equivalents is based on the following formulas:

1 SDR = \$1.28 (1.2775)                      1 U.S.\$ = 0.7828 SDR

- c. Enter the insured number, insured amount, and SDR equivalent on PS Form 2976-A, *Customs Declaration and Dispatch Note CP 72*.

- a. Postmark item at the time of acceptance, showing the full name of post office, two-letter state abbreviation and ZIP Code, if authorized, and the date of mailing.
- b. Postmark at all breaks (cuts or torn edges) of any gummed-paper strips used in sealing parcels.

### 324.4 Sealing

All insured parcels must be sealed.

### 324.5 Return Receipt

Return receipts may be purchased for insured parcels to all countries with which insurance agreements are in force, except Canada (see 340).

## 325 Indemnity Claims and Payments

Sender must submit mailing receipt to make an inquiry or file a claim (see Chapter 9).

**Note:** For detailed information concerning indemnity claims and payments for lost, rifled, or damaged insured parcels, see 930.

## 330 Registered Mail

---

### 331 Description

Customers may register mail for additional protection and security in dispatch, conveyance, and delivery. For each registered item, a mailing receipt is issued by the office of mailing, and a record of delivery is maintained at the office of destination. Indemnity limits are much lower for registered mail than for insured mail and do not extend uniformly to damage or rifling of contents. Registered mail is handled separately from all other mail, and records are kept by registry number. In post offices, registered mail is kept in a secure area to which only authorized employees are permitted.

### 332 Availability

Customers can purchase registered mail service when they send letter-post, post/postal cards, and matter for the blind. Registered mail service is not available in combination with parcel post or M-bags to one addressee. See Individual Country Listings for country-specific prohibitions and restrictions on registered mail service usage.

### 333 Fees and Indemnity Limits

#### 333.1 Registration Fees

The registry fee for all countries is \$7.50.

**Exception:** See the Individual Country Listing for [Canada](#).

#### 333.2 Indemnity Limit

Irrespective of the declared value of a registered item, the maximum amount of indemnity that is payable for loss, damage, or rifling is \$40.45.

**Exception:** There is a \$1,000 indemnity limit for registered items that are mailed to Canada, except for those that contain banknotes (cash), which are subject to a \$200 indemnity limit.

### 334 Processing Requests

#### 334.1 Mailing Receipt and Registration Number

##### 334.11 General Use

A receipt is issued for registered mail when it is accepted. For individual transactions, PS Form 3806, *Receipt for Registered Mail*, is used. When an average of three or more items are presented for registration at one time, PS Form 3877, *Firm Mailing Book for Accountable Mail*, may be used (see DMM S911.3.8). The registered number is determined by Label 200, *Registered Mail*, a preprinted, self-adhesive label with a number series of nine digits preceded by a Service Type Code of two alpha characters and followed by the Country Code of two alpha characters "US." Only labels printed by the Postal Service may be used on international registered mail.

##### 334.12 Sender's Responsibility

Sender must:

- a. Enter the name and address of addressee on the mailing receipt before presenting the item for registration.
- b. Declare the *full* value of mail presented for registration.
- c. The sender should retain the receipt and must submit it if he or she subsequently wishes to make an inquiry about, or file a claim for, the registered item (see Chapter 9).

##### 334.13 Accepting Clerk's Responsibility

Accepting clerk must:

- a. Affix a Label 200, *Registered Mail*, to the item in the lower left corner of the address side and enter the number in ink on the mailing receipt.
- b. If requested by the sender, show on the mailing receipt and on the post office record the time the item was accepted for mailing.
- c. Enter the registration fee and postage, plus special delivery, return receipt, and/or restricted delivery fee, if applicable, on the receipt.

- d. Endorse mailing receipt "OFFICIAL PAID" or "OFF. PD." when federal government official mail is registered pursuant to 143.1.

### 334.2 **Marking**

The accepting clerk must enter the following endorsements and special markings on each registered item:

- a. Affix Label 200 as noted above. All registered mail of U.S. origin must bear a Label 200.
- b. Place airmail Label 19-A or Label 19-B or the words "PAR AVION" on registered items prepaid for air, if the sender has failed to do this.
- c. Endorse the item for special services requested by the sender.

### 334.3 **Postmarking**

#### 334.31 **Placement**

Postmark registered items twice on the back, on the crossing of the upper and lower flaps. If return receipts are used, postmark partially on the receipt and partially on the flaps of the letter. Items sealed on the address side must be postmarked on the address side.

#### 334.32 **Registered Matter for the Blind**

Postmark registered matter for the blind on the address side.

### 334.4 **Sealing**

#### 334.41 **Sender's Responsibility**

Senders must securely seal letter-post items presented for registration. Wax or paper seals on envelopes must bear a distinctive mark of the sender and must be affixed in such a way as to allow sufficient space at the intersections of the flaps for postmarking. Self-sealing envelopes and items that appear to have been opened and resealed may not be registered.

#### 334.42 **Registered Matter for the Blind**

Registered matter for the blind must *not* be sealed.

### 334.5 **Return Receipt and Restricted Delivery**

Return receipts and restricted delivery can be purchased for registered items to most countries. (See 340 and 350 and Individual Country Listings.)

## 335 **Indemnity Claims and Payments**

Sender must submit mailing receipt to make an inquiry or file a claim (see Chapter 9).

**Note:** For detailed information concerning indemnity claims and payments for registered items that are lost, rifled, or damaged, see 930.

## 340 Return Receipt

---

### 341 Description

PS Form 2865, *Return Receipt for International Mail (Avis de Reception)*, is a *pink* card that is attached to a registered or insured item and to Global Express Mail to certain countries (see 221.4) at the time of mailing, and which is removed and signed at the point of delivery and returned to sender. It provides the sender with evidence of delivery. Return receipts are completed in the country of destination in accordance with its internal regulations, which may not require the addressee's signature except under special circumstances. These receipts are returned to sender by airmail.

### 342 Availability

Return receipts can be purchased *only* at the time of mailing and are available *only* for registered, insured, or recorded delivery mail. Return receipts are available to a limited number of countries for Global Express Mail (see 221.4). A few countries do not admit return receipts and many restrict them to registered mail. See Individual Country Listings.

### 343 Fee

The fee for a return receipt is \$1.75, and must be paid in addition to postage and other applicable charges. Return receipt service is available at no additional charge for Global Express Mail to certain countries.

**Note:** Include the weight of the return receipt when determining the postage for mailing the item.

### 344 Processing Requests

**344.3 Confirmation of Delivery After Mailing**

A sender may request confirmation of delivery for registered or insured mail, within 1 year after mailing, by presenting the mailing receipt and filing an inquiry (see 922.1 and 922.2).

**344.4 Return Receipt Improperly Completed or Not Received**

If the sender does not receive a return receipt for which a fee was paid, or if the sender receives an improperly completed return receipt, an inquiry should be filed. See 927 and 928 for applicable inquiry procedures.

## 350 Restricted Delivery

---

**351 Description****351.1 General**

Restricted delivery is a service that generally limits who may receive an item. The details of the service, however, are governed by the internal legislation of the destination country. Some countries will deliver only to the addressee in person and will obtain that person's signature on the receipt. Other countries may permit delivery to agents of the addressee and/or require only the signature of a postal official on the return receipt.

**351.2 Undeliverable Mail**

If the country of destination is unable to deliver the item in accordance with its regulations, it will be returned as undeliverable.

**352 Availability**

Restricted delivery is available *only*:

- a. At time of mailing.
- b. For registered items or recorded delivery.
- c. If accompanied by a return receipt (see 340).
- d. To certain countries. See Individual Country Listings.

**353 Fee**

Fee is \$3.50 and is in addition to postage and other applicable fees.

## 354 Processing Requests

### 354.1 Marking

Sender must endorse item "A REMETTRE EN MAIN PROPRE" or the equivalent in a language known in the destination country. Endorsement should be located on the address side below the return address.

### 354.2 Postage

Accepting clerk must affix and cancel postage equal to the sum of the restricted delivery fee, regular postage, and other fees.

## 360 Recorded Delivery

---

### 361 Description

Recorded delivery is the international service equivalent of domestic certified mail. It provides the mailer with a numbered mailing receipt, and affords the opportunity to obtain confirmation of delivery through the purchase of a separate return receipt for an additional fee (see 342). The originating post office does *not* maintain a mailing record for recorded delivery service items. However, the destination post office is required to retain a record of delivery for each recorded delivery service item that is tendered to an addressee.

### 362 Availability

Recorded delivery service is available when mailing letter-post items, postcards and postal cards, aerogrammes, matter for the blind, and M-bags to the following destination countries: Ascension, Austria, Bahamas, Bangladesh, Belize, Bhutan, Brunei Darussalam, Burkina Faso, Burundi, Colombia, Congo (Democratic Republic of the), Costa Rica, Croatia, Cuba, Czech Republic, Dominican Republic, Fiji, Germany, Ghana, Greenland, Grenada, Guinea-Bissau, Guyana, India, Iran, Iraq, Kenya, Korea (Republic of), Kuwait, Latvia, Macedonia (Republic of), Madagascar, Malaysia, Maldives, Mali, Mongolia, Morocco, Mozambique, Namibia, Niger, Nigeria, Paraguay, Romania, Rwanda, Saint Helena, Sao Tome and Principe, Slovak Republic (Slovakia), Swaziland, Switzerland, Tanzania, Tonga, Trinidad and Tobago, Tunisia, Tuvalu, Uganda, Venezuela, Vietnam, Yemen, and Zambia.

### 363 Recorded Delivery Fee

The recorded delivery fee is \$2.30 and is in addition to postage and other special service fees, if applicable.

## 364 Processing Requests

### 364.1 General Use

PS Form 8099, *Receipt for Recorded Delivery*, is used for recorded delivery. Only labels printed by the Postal Service may be used on recorded delivery mail.

### 364.2 Marking

#### 364.21 Sender's Responsibility

The sender must prepare PS Form 8099, *Receipt for Recorded Delivery*, and place it on the address side, above the address and to the right of the return address; or for cards, above the address in such a way as not to affect address legibility and postage. Add the endorsement "A REMETTRE EN MAIN PROPRES" (or the equivalent in a language known in the country of destination) in bold letters when the mailpiece is to be delivered to the addressee in person (restricted delivery). Request a return receipt at the time of mailing, if one is desired. Complete PS Form 2865 at the time of mailing to request a return receipt or to request restricted delivery.

#### 364.22 Accepting Clerk's Responsibility

Verify that the PS Form 8099 has been properly completed and that the correct fee and amount of postage have been affixed; postmark the receipt, and return it to the mailer.

### 364.3 Where to Mail

Customers may mail recorded delivery items at a post office, station, or branch. They may also deposit the item in street letterboxes, if a post office receipt is not desired.

### 364.4 Return Receipt and Restricted Delivery

Return receipts and restricted delivery service may be purchased for recorded delivery items to all countries with which restricted delivery service is available. (See 350 for restricted delivery service.) If a return receipt is requested, the sender's complete return address must be placed on the mailpiece.

#### 371.411 Authorization to Issue an International Money Order

For countries to which standard international money orders are issued, application must be made via the *Authorization to Issue an International Money Order* form set. International money orders are generally issued in U.S. dollars and are converted into foreign currency in the country where payable. For assistance in determining foreign currency equivalents, call the International Money Order Section, St. Louis Accounting Service Center (ASC), at 314-436-5099. The ASC is able to provide approximations of foreign currency equivalents only.

#### 371.412 International Postal Money Order Form (MP1)

Follow the issuance procedures in DMM S020.1.0.

**Note:** For money orders payable in Canada, the amount of the money order must be expressed in U.S. currency only. Issuing clerks must use the money order imprinter in the usual manner, printing the amount received in U.S. currency. Clerks must *not* write the word “Canadian,” followed by the equivalent amount in Canadian currency, on the money order.

### 371.42 Preparation by Purchaser

#### 371.421 Purchaser's Responsibility

When the pink *International Postal Money Order Form (MP1)* is used to send funds, the purchaser should complete the information requested on both the money order and the customer's receipt. The Postal Service is not liable for money orders that are lost before the purchaser completes this information. Money orders may be made payable to the purchaser, a person or a firm, or a payee by official title. (Example: Director of Publications, Canada.)

#### 371.422 Information Concerning Payee

For international money orders, the purchaser must print all the required information for the purchaser and payee in the “squares” provided on the “Authorization” portion of the *Authorization to Issue an International Money Order* form set. The purpose of the payment may also be stated at the purchaser's discretion.

#### 371.423 International Postal Money Order Form (MP1)

Follow the instructions for preparing domestic money orders in DMM S020.1.0 when using the pink international postal money order form (MP1).

**371.43 Preparation by Postal Employee****371.431 International Postal Money Order Form (MP1)**

Follow the instructions for preparing domestic money orders in DMM S020.1.0 when issuing the pink international postal money order form (MP1).

**371.432 Authorization to Issue an International Postal Money Order**

For the authorization to issue an international money order:

- a. Prepare the imprinter for imprinting the *Authorization to Issue an International Money Order* form set following the applicable procedures for domestic form sets. Verify that the date is correctly set.
- b. Imprint the form set as follows:
  - (1) Imprint the *Authorization to Issue an International Money Order* form set following the procedures applicable to domestic form sets.
  - (2) The amount imprinted on the form set must be stated in U.S. currency.
  - (3) If the purchaser requests the equivalent in the currency of the country of payment, obtain the conversion rate from a local bank or firm that deals in foreign currency. If no such source is available locally, call the International Money Order Section, St. Louis ASC, at 314-436-5099.
  - (4) Advise the customer that the quoted foreign equivalent is only approximate and will not necessarily be the amount paid in the foreign currency.
- c. Complete the transaction as follows:
  - (1) Remove the imprinted form set from the imprinter and snap out the carbons. Do not leave carbons attached to form sets when given to the customer.
  - (2) Move the amount keys back to their asterisk position.
  - (3) Discard the carbons and the stub. Detach the voucher.
  - (4) Verify that all information is clearly imprinted on the "Authorization" part, and that the date, office number, and amount are correct, clear, and completely legible on all parts.
  - (5) Have the customer verify that the imprinted amount is correct.
  - (6) Collect payment for the face amount of the money order and the fee for issuance. Give the customer's receipt and the "Authorization" portions of the form set to the customer.
  - (7) Remind the customer to complete the "Purchaser and Payee" information on the "Authorization" and on the back of the receipt portions. Remind the customer that the "Authorization" portion must be mailed by the customer to the International Money Order Section, St. Louis ASC, and remind the customer that the "Authorization" is not a money order and must not be mailed to the payee. The International Money Order Section's address is given on the "Authorization" portion. The customer is to keep the receipt.

- (8) Place the voucher (bottom part of the form set) in the proper receptacle for end-of-the-day reporting. Maintain voucher copies of form sets in numerical sequence (first 10 digits) and keep such voucher copies separate from voucher copies of domestic money orders.
- (9) Do not collect postage for the transmission of the money order to the country of payment.
- (10) Enclosures are not permitted.

### 371.5 **Procedures for Cashing Money Orders Issued by Foreign Countries**

#### 371.51 **Valid Postal Money Orders**

## 372 International Reply Coupons

### 372.1 Description

- a. The sender of a letter may prepay a reply by purchasing reply coupons, which are sold and exchangeable for postage stamps at post offices in member countries of the Universal Postal Union. The period of exchange of international reply coupons issued by the Universal Postal Union on or after January 1, 1975, is unlimited.
- b. International reply coupons (in French, *Coupons-Reponse Internationaux*) are printed in blue ink on paper that has the letters “UPU” in large characters in the watermark. The front of each coupon is printed in French. The reverse side of the coupon shows the text relating to its use in German, English, Arabic, Chinese, Spanish, and Russian.
- c. Coupons sold in the United States have the selling price printed on them, while coupons in other countries may not.

### 372.2 Availability

Reply coupons may be requisitioned by post offices in the same manner as postage stamps. The coupons should be stocked at post offices that have a demand for them.

### 372.3 Selling Price and Rate of Exchange

- a. The selling price of a reply coupon in the United States is \$1.75. One coupon is exchangeable in any other member country for a stamp or stamps representing the minimum postage on an unregistered air letter. Unused U.S. coupons (that is, those with the U.S. selling price stamped on them) may be exchanged only for United States postage stamps by the original purchaser at a discount of 1 cent below the purchase price.
- b. International reply coupons purchased in foreign countries are exchangeable at U.S. Post Offices toward the purchase of postage stamps and embossed stamped envelopes (including aerogrammes) at the rate of \$0.80 per coupon, irrespective of the country where they were purchased.

### 372.4 Processing Requests

- a. When an international reply coupon is sold, the USPS clerk must place a postmark in the block which is headed *control stamp of the country of origin*.
- b. Under Universal Postal Union’s regulations, member countries are *not* required to place a control stamp or postmark on the international reply coupons that they sell. Therefore, some foreign issue reply coupons, which are tendered for redemption, may bear the name of the issuing country (generally in French), rather than the optional control stamp or postmark. Such coupons are exchangeable for U.S. postage, as specified in 372.3b.

- c. A post office redeeming an unused U.S. coupon must postmark it in the unpostmarked circle. A post office exchanging a foreign reply coupon must postmark it in the right circle. Post offices must not accept foreign coupons that already bear a USPS postmark.
- d. Reply coupons issued by foreign countries prior to January 1, 1975, are no longer redeemable at U.S. post offices. These old-style coupons are distinguishable from the newer coupons printed by the International Bureau of the Universal Postal Union because the name of the country of origin is always present on the old-style coupons. Customers processing pre-1975 coupons of foreign origin should be advised to return them to their correspondents in the country of issue for replacement or redemption through the selling post office.
- e. Reply coupons formerly issued by the Postal Union of the Americas and Spain are no longer valid. These coupons are printed in green ink and bear the caption *Cupon Respuesta America-Espanol*. Customers possessing any of these coupons should return them to their correspondents in the country of issue for redemption through the selling post office.
- f. Postmasters must process exchanged foreign and redeemed U.S. coupons as prescribed in 426.9 International Reply Coupons (IRCs) Handbook F-1, *Post Office Accounting Procedures*.

## 373 International Business Reply Service

### 373.1 Description

International Business Reply Service (IBRS) is similar to domestic business reply mail service. It allows envelopes and cards to be distributed to and deposited in certain foreign countries for return to the addressee in the United States without prepayment of postage. Postage and service fees are collected from the U.S. addressee at delivery. Special services cannot be used with IBRS.

### 373.2 Availability

International Business Reply Service (IBRS) is available to every country and territorial possession in the world that is a destination point for U.S.-originating international mail. To be admissible in the international mails, IBRS envelopes and cards must conform to the size, weight, and format requirements that are specified in 373.5 and 373.6, respectively. Qualifying mailpieces receive airmail treatment upon being returned by the foreign postal administrations to United States addressees. See 373.4 for the standard IBRS fees that apply to each envelope or card that is returned to the holder of a business reply mail (BRM) permit.

**Note:** Domestic business reply items are not mailable outside the United States. If deposited in a foreign postal system, they will be treated in accordance with that country's internal postal regulations and may not be returned to the U.S. addressee.

### 373.3 Who May Distribute IBRS Mail

In order to initiate IBRS mail, the U.S. sender must be a business reply mail (BRM) permit holder who has paid the prescribed accounting fee to participate in the Qualified Business Reply Mail (QBRM) program (see DMM R900.2.0). Prior to producing IBRS mail, the mailers must advise the postmaster of the post office where their permit is held, in writing, that they intend to distribute IBRS mail. IBRS mail must meet all specifications of QBRM including using unique ZIP+4 codes, identification of the rate category, and using the corresponding barcode. The postmaster must assign the unique ZIP+4 codes as part of the application process. Participating mailers are encouraged to submit preproduction samples for approval. The postmaster responsible will issue a letter of authorization to the mailer.

### 373.4 Fees

The fees for IBRS are as follows:

- a. Envelopes up to 2 ounces: \$1.20.
- b. Cards: \$0.80.

**Note:** The fee for each returned IBRS envelope and card includes the per piece charge that is applied to domestic business reply and subject to QBRM accounting procedures. It is not necessary for the sender to obtain a separate international business reply permit to have IBRS items processed through their advance deposit account.
