Please click the TSD Icon in the lower right corner of your computer desktop to contact an IT Specialist. Using Magic Self-Service to submit a ticket has been very helpful in resolving issues quickly. It helps ITS share the solution with other users too. The information we need can be easily sent to an expert simply by passing on a ticket number. You can phone/email us at any time (see contact list above), but a Magic ticket will work for you when you haven't got time to follow up on it in person.
