Disclosure Statement (continued)

This Disclosure Statement provides information about the Direct PLUS Loan that the school plans to disburse (pay out) by crediting the student's account, paying you directly, or both. It replaces any Disclosure Statements that you may have received previously for the same loan. Keep this Disclosure Statement for your records.

You must have signed an Application and Master Promissory Note (MPN) before your loan money is disbursed. The MPN, the Borrower's Rights and Responsibilities statement, and the Plain Language Disclosure explain the terms of your loan. If you have any questions about your MPN or this Disclosure Statement, contact the school.

Item 12 on the front of this Disclosure Statement provides the following information about the amount of the loan that the school plans to disburse to you:

- **Gross Loan Amount** – This is the total amount of the loan that you are borrowing. You will be responsible for repaying this amount.
- **Loan Fee Amount** – This is the amount of the fee that we charge on your loan. It is based on a percentage of your Gross Loan Amount. The percentage is shown in Item 11. The Loan Fee Amount will be subtracted from your Gross Loan Amount.
- **Interest Rebate Amount** – This is the amount of an up-front interest rebate that you may receive as part of a program to encourage timely repayment of Direct Loans. If you receive a rebate, the Interest Rebate Amount will be added back after the Loan Fee Amount is subtracted.

To keep an up-front interest rebate that you receive on your loan, you must make all of your first 12 required monthly payments on time (we must receive each payment no later than 6 days after the due date) when you begin repaying your loan. You will lose the rebate if you do not make all of your first 12 required monthly payments on time. If you lose the rebate, we will add the Interest Rebate Amount back to the principal balance on your loan account.

- **Net Loan Amount** – This is the amount of your loan money that remains after the Loan Fee Amount is subtracted and the Interest Rebate Amount is added. The school will disburse the Net Loan Amount to you by crediting the student's account, paying you directly, or both.

Item 12 shows the school's plan for disbursing your Net Loan Amount to you. The actual disbursement dates and amounts may be different than the dates and amounts that are shown. The school and the Direct Loan Servicing Center will notify you of the actual disbursement dates and amounts.

Before your loan money is disbursed, you may cancel all or part of your loan at any time by notifying the school.

After your loan money is disbursed, there are two ways to cancel all or part of your loan:

- Within 14 days after the date the school notifies you that it has credited loan money to the student's account, or by the first day of the school's payment period, whichever is later (the school can tell you the first day of the payment period), you may inform the school that you want to cancel all or part of the loan money that was credited to the student's account. The school will return the cancelled loan amount to us. You do not have to pay interest or the loan fee on the part of your loan that you tell the school to cancel within these timeframes. If you received an up-front interest rebate on your loan, the rebate does not apply to the part of your loan that you tell the school to cancel. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that was cancelled.

If you ask the school to cancel all or part of your loan outside the timeframes described above, the school may process your cancellation request, but it is not required to do so.

- Within 120 days of the date the school disbursed your loan money (by crediting the loan money to the student's account, paying it to you directly, or both), you may return all or part of your loan to us. Contact the Direct Loan Servicing Center for guidance on how and where to return your loan money. You do not have to pay interest or the loan fee on the part of your loan that you return within 120 days of the date that part of your loan is disbursed. If you received an up-front interest rebate on your loan, the rebate does not apply to the part of your loan that you return. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that you return.
