CHAPTER 8

LIST OF PREPARERS

This PEIS was prepared by an interdisciplinary team of staff from the BLM, FS, and Environmental Management and Planning Solutions, Inc. (EMPSi), with their supporting subcontractors Tetra Tech Inc., and Rocky Mountain Paleontology. As discussed in Chapter 6 – Consultation and Coordination, staffs from numerous federal and state agencies, research institutions, industry, and non-profit organizations contributed to defining the area of geothermal potential. The following is a list of people that prepared or contributed to the development of the PEIS.
