

BIBLIOGRAPHY FOR SWIFT FOXES (*Vulpes velox*)

THESES

- Ausband, D. E. 2003. Assessing the success of swift fox reintroductions on the Blackfeet Indian Reservation, Montana. Thesis. University of Montana, Missoula, Montana, USA.
- Avery, S. R. 1990. Vocalization and behavior of the swift fox (*Vulpes velox*). Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Bremner, S. 1997. Diet and hunting behaviour of captive-bred swift fox (*Vulpes velox/Vulpes velox hebes*) intended for release. Thesis, Applied Animal Behaviour and Animal Welfare, University of Edinburgh, Edinburgh, Scotland.
- Cameron, M. W. 1984. The swift fox (*Vulpes velox*) on the Pawnee National Grassland: its food habits, population dynamics, and ecology. Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Carter, F. L. 1939. A history of the changes in population of certain mammals in western Kansas. Unpublished Thesis, Fort Hays Kansas State College, Fort Hays, Kansas, USA.
- Carlington, B. G. 1980. Reintroduction of the swift fox (*Vulpes velox*) to the Canadian prairie. Thesis University of Calgary, Alberta, Canada.
- Covell, D. F. 1992. Ecology of the swift fox (*Vulpes velox*) in southeastern Colorado. Thesis, University of Wisconsin-Madison, Madison, Wisconsin, USA.
- Eussen, J. T. 1999. Food habits of the kit fox (*Vulpes macrotis*) and swift fox (*Vulpes velox*) in Colorado. Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Finley, D. J. 1999. Distribution of the swift fox (*Vulpes velox*) on the eastern plains of Colorado. Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Hines, T. D. 1980. An ecological study of *Vulpes velox* in Nebraska. Thesis, University of Nebraska, Lincoln, Nebraska, USA.
- Jackson, V. L. 1996. Denning ecology of swift foxes (*Vulpes velox*) in western Kansas. Thesis, Fort Hays State University, Fort Hays, Kansas, USA.
- Kamler, J. F. 2002. Relationship of swift foxes and coyotes in northwestern Texas. Dissertation, Texas Tech University, Lubbock, Texas, USA.
- Karki, S. M. 2003. Effects of coyote removal on swift fox (*Vulpes velox*) population ecology in southeastern Colorado. Thesis. Utah State University, Logan, Utah, USA.
- Kellogg, R. 1915. The mammals of Kansas with notes on their distribution, habits, life histories, and economic importance. Thesis, University of Kansas. Lawrence, Kansas, USA.
- Kitchen, A. M. 1999. Resource partitioning between coyotes and swift foxes: space, time, and diet. M. S. Thesis, Utah State University, Logan, Utah, USA.
- Kilgore, D. L. 1967. An ecological study of the swift fox in the Oklahoma Panhandle. Thesis, University of Kansas, Lawrence, Kansas, USA.
- Klausz, E. E. 1997. Small mammal winter abundance and distribution in the Canadian mixed grass prairies and implications for the swift fox. Thesis, University of Alberta, Edmonton, Canada.
- Lemons, P. R. 2001. Ecology of swift foxes in Northwest Texas: diets and den site activity. Thesis, Texas Tech University, Lubbock, Texas, USA.
- Lindberg, M. S. 1986. Swift fox distribution in Wyoming: A biogeographical study. Thesis, University of Wyoming, Laramie, Wyoming, USA.

- Link, M. A. 1995. Kit fox (*Vulpes macrotis*) distribution in western Colorado. Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Loy, R. R. 1981. An ecological investigation of the swift fox (*Vulpes velox*) on the Pawnee National Grasslands, Colorado. Thesis, University of Northern Colorado, Greeley, Colorado.
- Matlack, R. S. 1997. The swift fox in rangeland and cropland in western Kansas: relative abundance, mortality, and body size. Thesis, Kansas State University, Manhattan, Kansas, USA.
- McLaughlin, M. A. 1979. Density, distribution, and status of the kit fox in Trans-Pecos, Texas. Dissertation, Texas A&M University, College Station, Texas, USA.
- Moehrensclager, A. 2000. Effects of ecological and human factors on the behavior and population dynamics of reintroduced Canadian swift foxes (*Vulpes velox*). Dissertation, University of Oxford, Oxford, United Kingdom.
- Olson, T. L. 2000. Population characteristics, habitat selection patterns, and diet of swift foxes in southeast Wyoming. Thesis, University of Wyoming, Laramie, Wyoming, USA.
- Pattimore, G. 1985. The feasibility of reintroducing the swift fox to southern Manitoba. Thesis, University of Manitoba, Winnipeg, Canada.
- Pruss, S.D. 1994. An observational natal den study of wild swift fox (*Vulpes velox*) on the Canadian prairie. Thesis, University of Calgary, Alberta, Canada.
- Rodrick, P. J. 1999. Morphological, genetic and den site characteristics of the kit fox ("Vulpes macrotis") on McGregor Range in south central New Mexico. Thesis, University of Wisconsin. Madison, Wisconsin, USA.
- Roell, B. J. 1999. Demography and spatial use of swift fox (*Vulpes velox*) in northeastern Colorado. Thesis, University of Northern Colorado, Greeley, Colorado, USA.
- Reynolds, J. 1983. A plan for the reintroduction of swift fox to the Canadian prairie. Thesis, Faculty of Environmental Design, University of Calgary, Alberta, Canada.
- Schauster, E. R. 2001. Swift fox (*Vulpes velox*) on the Piñon Canyon Maneuver Site, Colorado: Population ecology and evaluation of survey methods. Thesis, Utah State University, Logan, Utah, USA.
- Schmidt, R. H. 1986. Contributions to canid management in North America. Dissertation, University of California, Davis, California, USA.
- Schroeder, C. 1985. A preliminary management plan for securing swift fox for reintroduction into Canada. Thesis, Faculty of Environmental Design, University of Calgary, Alberta, Canada.
- Teeling, E. 1996. What do these Swift fox really do? Captive swift fox behaviour during the summer months. Thesis, Applied Animal Behaviour and Animal Welfare, University of Edinburgh, Edinburgh, Scotland.
- Zimmerman, A. L. 1998. Reestablishment of swift fox (*Vulpes vulpes*) in northcentral Montana. Thesis. Montana State University, Bozeman, Montana, USA.
- Zumbaugh, D. M. 1984. Natural history of foxes in Kansas. Thesis, Fort Hays State University, Hays, Kansas, USA.
