Please change the beginning of my 2nd sentence to "I'm a member of the Save Columbia Credit Union because the Columbia Credit Union used abusive practices"

then continue.

We had to go to court to stop the conversion because the by-laws would not protect us.

Thank you.

My comment:

Please adopt a bylaw enforcement platform. I'm a member of the Save Columbia Credit Union which used abusive practices to change bylaws without notice to members, inject a campaign to expulse members, locate an expulsion meeting as far away as possible without allowing mail-in ballots and more. The board and CEO act like they can do anything at will, disregarding members.
