American Eagle Buyer's Guide

SEVENTH EDITION

The following list of American Eagle retailers was designed to provide you with a sampling of local, as well as national, Eagle retailers. Additional companies may be found in your local Yellow Pages under “Coins” or “Gold.”

How To Buy

American Eagles are a convenient and cost-effective method to invest in precious metals.

- American Eagles are produced by the United States Mint and are fully backed by the U.S. Government for weight and content. This makes them easy to buy and sell throughout the world.
- American Eagles are not available directly from the United States Mint, but instead are sold by precious metals dealers, coin dealers, brokerage companies, and participating banks.
- Prices for American Eagles are based on the prevailing price of platinum, gold, and silver, plus a small premium. Prices among dealers vary, so be sure to shop around.
- Availability of coins varies by location.
- Volume discounts often apply.
- American Eagles can often be ordered right over the telephone from the dealers listed in this guide.

American Eagle Coin Specifications

Size	Platinum		Gold		Silver	
	Weight	Face Value	Weight	Face Value	Weight	Face Value
1 oz.	1.0005 troy oz. 31.120 grams	\$100.00	1.0909 troy oz. 33.930 grams*	\$ 50.00	1.000 troy oz. 31.103 grams**	\$1.00
