CURRENT SITUATION:

Moderate initial attack activity and new large fires were reported in the Southern, Northwest, Western Great Basin and Southern California areas. Good progress was achieved on large fires in the Great Basin and Rocky Mountain areas. The National Interagency Coordination Center mobilized engines, helicopters, airtankers, crews and miscellaneous overhead. Very high to extreme fire indices were reported in Oregon, California, Montana, Idaho, Utah, Nevada, South Dakota and Texas.

WESTERN GREAT BASIN LARGE FIRES:
