

ITMA 2007 - List of exhibitors				
No.	Company	Product and service categories	Hall/Booth	Internet
1	AATCC American Association of Textile Chemists and Colorists	textile testing and measuring equipment for fibres and yarns, colour measuring instruments, accessories for laboratory testing and measuring equipment, technical publications, Universities, colleges and other educational institutions for the textile industry, research institutions for textiles, technical textiles and garments	A4.138	www.aatcc.org
2	ABC A.B. Carter, Inc.	supplies for spinning accessories and other products utilized throughout the yarn manufacturing and fabric forming sectors of the Textile Industry	A6.202	www.abcarter.com
3	AMERICHEM Americhem Inc.	colour measuring instruments, design offices for fabrics and colours	B1.333	www.americhem.com
4	APPALACHIAN Appalachian Electronic Instruments, Inc.	yarn break detectors, fabric inspection systems, online sensors and measuring devices, accessories for weaving preparatory, weaving and tufting machinery, preparatory machinery for knitting and hosiery	B4.412	www.aei-wv.com

5	ARGUS FIRE CONTROL Argus Fire Control	online sensors and measuring devices, online sensors and measurement devices, other equipment and products to ensure machinery and plant operations	A4.227	www.argusfirecontrol.com
6	AUTOMATION PARTNERS Automation Partners Inc.	online sensors and measuring devices, electronic and software systems for the dyeing, printing and finishing industry	C4.563	www.automationpartners.com
7	BINSFELD Binsfeld Engineering Inc.	online sensors and measuring devices	A6.100	www.temptrak.com
8	BRINTECH-AUTOMATEX Brintech Inc.	cutting, inspecting, measuring, rolling and folding machinery, machinery for sewing, fusing, linking and quilting, packing, labeling and marking machines for the making-up industry, Software for knowledge management, software for enterprise resource planning (ERP), production planning and scheduling (PPS)	B2.127	www.brintechinc.com
9	D & S INTERNATIONAL D & S International, Inc.	accessories for knitting and hosiery machinery	A2.116	www.dandsinternational.com
10	DUPONT ARTISTRI DuPont Ink Jet	ink jet digital printing machines	C2.417/516	www.artistri.dupont.com
11	EPIC Epic Enterprises Inc.	spindles and parts, accessories for winding, texturing and twisting machinery, accessories for automatic doffing, piecing and transport systems for winding, texturing and twisting machines	A5.122	www.epicenterprises.net

12	FAB-CON Fab-Con Machinery Development Corp.	machinery for bonding and finishing of nonwovens, Roller squeezers, tentering and stentering machines, continuous tumblers, dryers, shrinking machines, accessories for washing, bleaching, dyeing, printing drying, finishing, cutting, rolling and folding machinery	C3.237	www.fab-con.com
13	FOSTER NEEDLE Foster Needle Company	felting needles	B3.410	www.fosterneedleusa.com
14	GASTON SYSTEMS Gaston Systems, Inc.	mercerising machines for woven and knitted fabrics, dyeing machines, coating machines, Flock-printing machines, finishing machines, auxiliary machinery for washing, bleaching, dyeing, printing drying, finishing, cutting, rolling and folding	C3.139	www.gastonsystems.com
15	GLOBECOT NEWS NETWORK Globecot, Inc	technical publications	A4.309	www.globecotnews.com
16	GRIFFIN Ira L. Griffin Sons, Inc.	creels, warping machines, beaming machines, sizing / slashing machines, indigo warp dyeing lines, weaving preparatory machinery	B4.305/402	www.iragriffin.com
17	GTI GTI Graphic Technology Inc.	web inspection systems and machines, textile testing and measuring equipment for fabrics, colour measuring instruments, specialized lighting and lighting fixtures	A4.137	www.gtilite.com

18	HILLS Hills Inc.	spinning plant for the production of man-made filaments and fibres (incl. laboratory machines), accessories for machinery for the production of man-made filaments and fibres and for filaments treatment, accessories for compact spinning machines, machinery for web formation, Spinnerets for spunbonded and meltblown webs	A3.128	www.hillsinc.net
19	HOLLINGSWORTH John D. Hollingsworth on Wheels, Inc.	cards, metallic card wires	B3.329	www.jdhow.com
20	HUNTERLAB HunterLab Hunter Associates Laboratory Inc.	colour measuring instruments	A4.237	www.hunterlab.com
21	INTL. FIBER JOURNAL International Fiber Journal	technical publications	A4.136	www.fiberjournal.com
22	KÜSTERS ZIMA CORPORATION Küsters Zima Corporation	bleaching plant, continuous, washing machines, mercerising machines for woven and knitted fabrics, dry and wet pre-treatment machinery, dyeing machines, padding mangles, roller squeezers, suction extractors, colour and chemical dispensing systems, winding and plaiting devices	C4.239/338	www.kuesterszima.com

23	LEESONA Leesona Industries	winding and take-up units, Draw winders, Godets, winding and rewinding machines, yarn thread guides, ceramic and porcelain accessories, accessories for winding, texturing and twisting machinery	A5.364	www.leesona.com
24	LEGGETT + PLATT Leggett + Platt Digital Technologies	Ink jet digital printing machines	C2.136	www.lp-digital.com
25	LH Lawson Hemphill	textile testing and measuring equipment for fabrics, accessories for laboratory testing and measuring equipment	A4.365	www.lawsonhemphill.com
26	M&R M&R Sales and Service	printing machinery, tentering and drying machines, cutting, inspecting, measuring, rolling and folding machinery, packing, labelling and marking machines for the making-up industry	C2.308	www.mrprint.com
27	MELCO Melco Industries Inc.	machinery for sewing, fusing, linking and quilting	A5.325	www.melco.com

28	MORRISON TEXTILE Morrison Textile Machinery Co.	desizing machines, bleaching apparatus and machines, batch, washing machines, mercerising machines for woven and knitted fabrics, dry and wet pre-treatment machinery, dyeing machines, padding mangles, roller squeezers, felt calendars, damping machines, shrinking machines, padding and impregnating machines	C4.223/320	www.morrisontexmach.com
29	MYRON L MYRON L COMPANY	online sensors and measurement devices, testing devices for textile machinery parts, accessories for laboratory testing and measuring equipment, equipment for waste water treatment	A4.308	www.myronl.com
30	NAVIS GLOBAL Navis Global	bleaching plant, continuous, washing machines, dyeing machines for other fabrics, padding mangles, roller squeezers, equalizing machines, tentering and stentering machines, hot flues, dryers, drying lofts, tentering machines, raising machines, finishing machines, shrinking machines, padding and impregnating machines, winding and plaiting devices, pins, stenter clips and pin plates	C3.211/310	www.navisglobal.com

31	NC STATE COLLEGE OF TEXTILES North Carolina State University College of Textiles	Universities, colleges and other educational institutions for the textile industry, research institutions for textiles, technical textiles and garments	B2.463	www.tx.ncsu.edu
32	NEUMAG NONWOVEN USA Saurer Inc. Neumag Nonwoven USA	production lines for spunbonded and meltblown webs	A5.325	www.oerlikon.com/neumag
33	ROCKWELL AUTOMATION Rockwell Automation	electronic systems for the spinning, weaving, knitting dyeing, printing, finishing, embroidery and making-up industry, software for knowledge management, software systems for supply chain management (SCM) in textile networks, software for enterprise resource planning (ERP), production planning and scheduling (PPS), management systems, power transmission equipment ; electrical motors and drives, safety equipment to protect workers (e.g. work clothes, ear protectors, safety devices)	A6.228	www.rockwellautomation.com

34	TANDEMATIC Tandematic Inc	accessories for machinery for web formation, bonding and finishing of nonwovens and felting, accessories for knitting and hosiery machinery, cutting machines, auxiliary machinery for washing, bleaching, dyeing, printing drying, finishing, cutting, rolling and folding, fabrics guiding devices	C3.524	www.tandematic.com
35	TEXTILE WORLD Textile Industries Media Group	technical publications	A4.207	www.textileworld.com
36	TRIDENT Trident - ITW	Ink jet printing heads, dyestuffs and chemical products	B1.164	www.trident-itw.com
37	WAUKESHA Waukesha Engine, Dresser, Inc.	power transmission equipment ; electrical motors and drives	B5.416	www.waukeshaeengine.com
