## PHOTOGRAPH REQUIREMENTS FOR PASSPORT APPLICANTS

Photographs for U.S. passports are not the same size or quality as photographs for French passports. Please assure that the following conditions are met for your U.S. passport photos:

- ✓ Two (2) identical, unsigned, **color** photographs taken within the past six months.
- ✓ Photograph **background** must be **white** or off-white.
- ✓ Square images, exactly 2 x 2 inches (5 x 5 centimeters).
- ✓ The customer's head, measured from the bottom of the chin to the top of the hair, should be between 1 inch and 1-3/8 inches (2.5 – 3.5 centimeters). The head should be centered in the photo. The head of the person being photographed should not be tilted up, down or to the side. It should cover about 50% of the area of the photo.

- ✓ The photo should show a clear, front view of the customer.
- ✓ The customer should be in normal street attire, without a hat.
- ✓ Glasses, but not sunglasses, may be worn.
- ✓ Uniforms may only be worn if part of religious attire that is worn daily.
- ✓ Only original photographs are acceptable. *Digital photographs* must conform to the standards listed on: [http://travel.state.gov/passport/pptphotos/digital\\_photography.html](http://travel.state.gov/passport/pptphotos/digital_photography.html). For more information, please check: [http://travel.state.gov/passport/guide/faq/faq\\_881.html](http://travel.state.gov/passport/guide/faq/faq_881.html).
- ✓ *Self-service photo machine* photographs are not of high enough quality, and will not be accepted.

If you have any questions on photograph requirements, please contact us at the above mentioned telephone number. **We advise you to call the photographer before going.**

## LIST OF PHOTOGRAPHERS

The photographers listed below are considered reliable. The consulate cannot, however, assume responsibility for their ability and integrity. A clear understanding should be reached between the purchaser and the photographer regarding the nature of the services, the price and the delivery time, before the start of the photographic operations. **Specify that you want photographs for an American passport** since photographers make various sized photographs.
