This report displays only those members and their associated current specialties that require completion of the most recent CAPT 117 prior to the renewal of the specialty. Members that have not completed the new CAPT 117 test(s), but are current in at least one ES Specialty will require the new CAPT 117 prior to requalification in the specialties shown. The CAPT 117 Part 1,2,3 are separate tasks. Completing a specific task will update all the specialties that require that task.
