CORRECTION: GSA CUSTOMER SUPPLY CATALOG AND GSA ADVANTAGE!

We Goofed! We're sorry! Please don't wash that pillow!

You may have read in the GSA Customer Supply Catalog and in *GSA Advantage!* that bed pillow NSN 7210-00-894-1144 is washable. Don't believe it! It's not true! Bed pillow NSN 7210-00-894-1144 is filled with flaked polyurethane foam and is **NOT WASHABLE** as advertised. Machine washing the pillow could destroy it. The problem is that the flaked polyurethane foam soaks up so much water that it becomes too heavy and tears out the pillow ticking seams.

For more information, please contact:
