limitation includes children.

**6. VISITOR APPROVAL PROCEDURES.**

- a. During the admission and orientation period, each inmate will submit a proposed list of visitors to his unit team. Inmates will mail Attachment 1 and 2 to all prospective visitors. Prospective visitors who are not recognized as immediate family will also be forwarded the Visitor Information form (BP-S629.052). Additionally, unit staff may require a completed Visitor Information Form for immediate family members with serious criminal histories. Required Visitors Information Forms must be completed and returned to the unit staff prior to the individual being approved to visit. Inmate's may request to modify their visiting list by adding or deleting visitors at any time through their Unit Team.
- b. The unit manager will review all prospective visiting applications after the investigation process is completed. A prospective visitor with any drug-related conviction, or any other serious convictions in his/her background, requires the approval of the Associate Warden Programs before being approved for placement on an inmate's visiting list.
- c. Immediate family members will ordinarily be approved to visit. Other relatives, friends, and associates will require background reviews and the approval of the unit team. Overall, up to 20 visitors may be placed on an inmate's visiting list.
- d. For inmates transferring in with completed visiting lists, unit staff will review and approve/disapprove existing visitors as appropriate within one week of receiving the inmate's Central File.
- e. Visitors with special needs for medications or medical devices are required to notify the inmate's Unit Manager in advance of visiting to obtain approval to retain the medication or medical device, the only exception is nitroglycerin. Once approval is granted by the Unit Manager it is the responsibility of the inmate to inform their visitors of visiting approval.

**7. VISITOR DISAPPROVING PROCEDURES.**

- a. Visitors with any criminal convictions must be approved by the Warden prior to the prospective visitor being added to the inmate's visiting list.

- b. The Captain will determine whether visitation for SHU inmates will occur in the SHU non-contact visiting area or the regular visiting room. When practical, visitation may be allowed in the visiting room.
- c. Careful review of hospitalized inmates is necessary prior to authorizing visits. When an inmate is in the Short Stay Unit, the respective Unit Manager will consult with the Health Services Administrator and the Captain, to determine if the inmate will be allowed to visit. - b. Visitors under the age of 18 must have a parent and/or guardian sign the visitor information form.

- c. Children under the age of 16 must be accompanied by an adult already approved to visit the inmate.

Each inmate will supervise his visiting children and not permit the children to wander from the immediate area, run about the visiting room, or create noise that disturbs other visits. - o. Inmates may take legal or other documents into the visiting room only with the pre-approval of the unit team and the Captain. This approval must be documented via memorandum and provided to the visiting room officers.
- p. There is a children's play area within the visiting room. Visitors under the age of 16 may use this area. The children may play card games, dominoes, or watch television in this area. Children must sit with the parent when not in the play area. Parents are responsible for their children's behavior. Unruly, loud or disruptive behavior may be grounds to terminate the visit. There is no food or drinks allowed in the play area. Inmates are not permitted in this area.

**10. AUTHORIZED VISITORS.** Inmates may have an approved visiting list of twenty (20) visitors. The Warden may make an exception to this provision when warranted. All prospective visitors, other than confirmed immediate family members, may

be subject to a background check and approval by institution staff. The inmate must have known the proposed visitor(s) prior to incarceration. The Warden must approve any exception to this requirement. Exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution.

The following procedures shall be in effect for authorized visiting lists. Since all new commitments are involved in the Admission and Orientation Program, inmates are encouraged not to schedule social visits within the first four days of incarceration at FCI Terminal Island. This procedure will allow time for staff to review and complete all visiting lists. During initial orientation, each inmate will complete a visiting list. At this time each inmate will be asked to identify whether any visitor will require accommodations due to disability or physical handicap. The visiting list will be forwarded to the appropriate Unit Counselor for processing. A copy of the Visiting Instructions will be given to each inmate and should be sent by the inmate to his approved visitors. Visitors who will require reasonable accommodation will be asked to notify the institution of their needs prior to visiting. Inmates may modify their visiting list by submitting a written request to his Counselor.

**11. RECORDS OF VISITORS/BACKUP SYSTEM TO THE COMPUTER VISITING PROGRAM.**

The procedures used to maintain a record of visitors for each inmate is also utilized as a backup to the computer visiting program. The unit team will provide a hard copy of the official updated inmate visiting list that are printed by the first of the month and forwarded to the lobby visiting officer and are maintained in the front lobby file cabinet. In addition, a hard copy of the computer generated visiting list will be maintained in the Lieutenant's office as well. These lists will be alphabetized by the inmates' last name. Documentation of suspended or terminated visits will also be maintained.

**12. SPECIAL VISITS.**

- a. Special Non-Social Visits: Individuals requiring to visit inmates housed at FCI Terminal Island must receive advanced written approval from the appropriate department head prior to entering the institution. These individuals include, but are not limited to: court appointed psychologist, medical personnel, clergy, educational and religious volunteers, and representatives of the media. Special non social visits must be supervised by the requesting department. In addition all such visits must be reviewed by the Captain and approved by the AW(P).
- b. Special Social Visits: If a special social visit is requested by an inmate, it must be approved by the Captain. The inmate must make the request through their Unit Team. The Unit Team will review the request and verify the relationship and forward the approval request to the Captain via a BP-148 (Inmate Request to Staff). These visits will be held in the visiting room, and will be supervised by visiting room staff during regularly scheduled visiting hours.

### **13. LEGAL VISITS.**

- a. Attorneys shall make an advance appointment for the visit through the Warden prior to each legal visit. When prior notification is not practical, i.e., Federal Court Order, exigent or legal circumstances or sufficient legal cause, the attorney should be allowed to visit the inmate after presenting a valid bar card and valid photo identification. Staff may call the California Bar (415-538-2000), to verify the status of a California licensed attorney. Staff should consult with legal staff to verify the status of attorneys licensed to practice in other states. These visits will be coordinated through the unit team.
- b. Attorneys may be added to the inmate's visiting list. These requests will be referred to the inmate's unit team for processing. In order to be added to the visiting list, the attorney must send in a copy of his or her bar card and photo identification. Ordinarily, unit teams do not need to run a criminal background check on the attorney beyond verification with the state bar.
- c. Attorneys' assistants, law clerks, investigators, paralegals, or interpreters will not be permitted to visit until the attorney whom they assist receives prior

approval from the Warden's Office. The attorney must submit a signed statement to the Warden pursuant to 28 C.F.R. 543.16. Individuals acting as an attorney's representative, who have had a previous social relationship with an inmate, may visit the inmate only in the presence of the attorney and only during the inmate's regular social visit (i.e., legal or social) at the time.

- d. Legal visits will take priority over social visits if crowding occurs. However, if an attorney or other legal visitor is visiting socially, there will be no priority for that visit.
- e. Attorney visits will take place in one of three legal visiting rooms. If all rooms are in use, the attorney will be offered the opportunity to meet with his or her client in an area within the visiting room that would allow a degree of privacy.
- f. Tape recorders or other electronic devices are not permitted in the institution without the written approval from the Warden.
- g. Legal documents brought in by an Attorney may not be given to the inmate to keep. Any legal documents that an Attorney would like the inmate to have will be mailed into the institution. In accordance with legal on special mail requirements.
- h. Inmates who bring any documentation to a legal visit must first have it screened by an officer for contraband. When the inmate leaves his legal visit the officer will again screen the documents for any contraband.

**14. PRISONER VISITATION AND SUPPORT.** The Prisoner Visitation and Support Program (PVS) is a valuable volunteer program. The focus of PVS has always been to visit and provide moral support to inmates who do not ordinarily receive visits from family and friends. Through this program inmates who are otherwise alienated from the community have the opportunity to develop healthy relationships and benefit from interaction with PVS volunteers.

PVS Volunteers at Terminal Island are allowed to carry paper and writing instruments into the visiting room. They are to be processed at the front lobby as volunteers. Their visits are not to be charged against their social visits, but will be

conducted during normal visiting hours. They are expected to adhere to the institution dress code and visiting policy.

15. **HOLDOVER PROCEDURES.** Holdover inmates will be subject to the provisions of this institution supplement, if approved for visiting privileges. If a visit is approved the visit will take place in the Special Housing Unit.
16. **MONITORING PROCEDURES.** Visitors and inmates in the visiting room are subject to video monitoring and staff surveillance. Visitors entering the institution are subject to electronic screening for the presence of metal objects and drugs.
17. **TERMINATION OF VISITS.** The Operations Lieutenant and Institution Duty Officer (IDO) may immediately terminate any visit for failure on the part of either the inmate or visitor to comply with visiting regulations. In all such cases, the Operations Lieutenant involved will submit a written report to the Captain, with a copy to the appropriate Unit Manager, for further evaluation of the situation. Termination of visiting privileges may result. The Visiting Room Officer will initiate an incident report if termination was due to improper conduct or violation of established rules and regulations. Termination of inmate visits due to overcrowding will be based on distance traveled by the visitor and frequency of visits. Those visitors who live close to the institution and visit frequently will be the first to be terminated.
18. **VISITOR ISSUES.** Any questions by visitors regarding visitation which cannot be immediately resolved by visiting room officers or front lobby staff will be referred to the IDO and in his/her absence to the Operations Lieutenant.
19. **VERIFYING VISITORS FOR EXIT.** Verification of a visitor will be accomplished by examining the fluorescent stamp on the visitor's left hand with an approved ultraviolet light prior to leaving the visiting room. If the fluorescent stamp is not visible, the visitor will not be permitted to exit. The Operations Lieutenant and the IDO will be notified immediately. Visitors will not be allowed to exit the visiting room until proper identification and accountability of the inmate and visitor have been established.
20. **ADVERSE WEATHER CONDITIONS (FOG WATCH).** When Fog Watch is deemed necessary by the Captain or the Operations Lieutenant and visiting is in session, the Front Lobby officer will continue to process inmate visitors as normal. The Visiting

Room Officer will be responsible for notifying the North/South Yard Officer via radio, providing the officers with the following information: Inmate's name, register number and housing unit. Once the inmate is ready for an escort, the North/South Yard Officer or available staff will escort the inmate to the visiting room. Inmates will be escorted in groups of 5 inmates per 1 staff member. Inmates from F and G units will be escorted thru the UNICOR area rather than thru the seawall area. The Captain and Duty Officer will be notified immediately regarding any conditions which may warrant consideration to cancel visiting. These questionable conditions will be assessed by the Captain, Operations Lieutenant and the Duty Officer prior to the Captain approving the cancellation of visiting.

Once Fog watch is cleared by the Captain or Operations Lieutenant, the institution will run its normal operations, to include visiting.
