

# TAX ACCOUNTANTS

## Paris Consular District

Recent changes in American and French tax legislation, and the signing of a U.S. - French tax treaty and protocol, have prompted requests for the names of tax consultants and accountants. To respond to these inquiries, the Embassy has prepared a list of some American and French firms and individuals who have asked to be on this list. The Embassy, however, assumes no responsibility for the professional ability or integrity of the persons and firms listed below. Some of them are attorneys, and attention is drawn to the fact that members of the legal profession in France are not permitted to advertise. Therefore, this list is released by the Embassy on the condition that it will not be published or reproduced. Please check with several accountants before choosing one, as rates vary significantly. The names of other attorneys specializing in tax practice can be found on the Embassy's list of attorneys; the names of additional accounting firms can be found in the yellow pages (*Professions*) of the Paris telephone directory under *Comptabilité*.
