Question1: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy.

Question2: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy.

Question3: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy.

Question4: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy.

Question5: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy.

Question6: STOP using my hard earned taxes to hike up farm prices with these ridiculous farm subsidies. Stop all of these restrictive crop regulations and artificial price supports. This is CRAZY!! Let the farmers compete freely just like all other sectors of the economy. Stop trying to micromanage the economy.
