

presently an ESE service territory. The Michigan Public Service Commission has determined the existing service is inadequate in three areas, including load growth, reliability, and electrical transmission system reinforcement. WEPCO/ESE's load growth has nearly exceeded capacity and its need for reliable service and additional capacity to meet peak system demand is urgent. The purpose for constructing the project is to increase reliability of service and provide an additional source of power to the customers served within WEPCO/ESE service area.

Permits or licenses required to implement the proposed action include: right-of-way easement from the Michigan Department of Natural Resources, wetland permits and erosion control standards from the Michigan Department of Environmental Quality, Section 404 determination and permit from the US Army Corps of Engineers, road crossing permits from Delta and Schoolcraft counties and the Michigan Department of Transportation, railroad crossing permits from the Wisconsin Central Railroad, approval of Interchange Agreement from the Federal Energy Regulatory Commission, Certificate of Public Convenience and Necessity from the Public Service Commission, Act 69 approval from the Michigan Public Service Commission, Section 106 Review by the Michigan State Historic Preservation Office and a Wild and Scenic River Determination from the USDA Forest Service.

The USDA Forest Service is serving as lead federal agency for the preparation of an EIS that will evaluate the purpose, need, and routing alternatives on the Hiawatha National Forest for the proposed project. The decision to be made is whether to allow the use of portions of the Hiawatha National Forest for siting a transmission line facility. The USDA Forest Service has invited other affected agencies to participate in the environmental process. Preliminary issues associated with this proposal include construction across two designated wild and scenic rivers, aesthetic effects, health and safety concerns from electromagnetic

fields, impacts to wetlands from construction and effective wetland restoration, disturbances to threatened, endangered and sensitive plant and animal habitat, noxious weed control, recreation access to roads, rivers, and trails during construction and the commitment of forest resources over the long term.

The public is invited to attend meetings to be held June 17, 18, and 19, 1997, from 7:00 p.m. to 9:00 p.m. at the township hall in Nahma, the Omni Center in Rapid River, and the township hall in Cooks, Michigan, respectively. In additional meeting will be held June 17 at the Nahma township hall from 11:00 a.m. to 1:00 p.m. The purpose of the workshop-style meetings, is to share project information and identify public issues and concerns. To assist the Forest Service in identifying and considering issues and concerns on the proposed action, written comments on the proposal should be as specific as possible. Please note that written comments made on the proposal will be regarded as public information. Anticipated publication date for the Draft EIS is November 1997 and the Final EIS in early 1998.

Dated: June 5, 1997.

In accordance with sections 353.22(a) and 355.22(a) of the regulations, an interested party as defined by section 353.2(k) may request in writing that the Secretary conduct an administrative review. The Department has changed its requirements for requesting reviews for countervailing duty orders. Pursuant to 19 C.F.R. 355.22(a) of the regulations, an interest party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Interim Regulations, 60 FR 25130, 25137 (May 11, 1995)). Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise for other suppliers) which were produced in more than one country of origin, and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room B-099, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 353.31(g) or 355.31(g) of the regulations, a copy of each request must be served on every party of the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation," for requests received by the last day of June 1997. If the Department does not receive, by the last day of June 1997, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for

consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute, but is published as a service to the international trading community.

Dated: June 4, 1997.

Jeffrey P. Bialos,

Principal Deputy Assistant Secretary for Import Administration.
