**AGENCY:** Centers for Medicare & Medicaid Services (CMS), HHS.

**ACTION:** Correction Notice of Final Rule with Comment Period.

**SUMMARY:** This correction notice corrects several technical and typographical errors in the final rule with comment period that appeared in the November 27, 2007 **Federal Register** (72 FR 66222). The final rule with comment period addressed Medicare Part B payment policy, including the physician fee schedule (PFS) that is applicable for calendar year (CY) 2008; the competitive acquisition program (CAP); clinical lab fee schedule issues; performance standards for diagnostic testing facilities; conforming and clarifying changes for comprehensive outpatient rehabilitation facilities (CORFs); physician self-referral issues; and standards and requirements related to therapy services under Medicare Parts A and B. The final rule with comment period also updated the list of services subject to the physician self-referral prohibitions.

**EFFECTIVE DATE:** This correction notice is effective January 1, 2008.

**FOR FURTHER INFORMATION CONTACT:** Diane Milstead, (410) 786-3355.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

In FR Doc. 07-5506 of November 27, 2007 (72 FR 66222) (hereinafter referred to as the CY 2008 PFS final rule with comment period), there were a number of technical and typographical errors that are identified and corrected in the Correction of Errors section of this notice. The provisions of this notice are effective as if they had been included in the CY 2008 PFS final rule with

comment period. Accordingly, the corrections are effective January 1, 2008.

## II. Summary of Errors

### A. Errors in the Preamble

On page 66276, the third column, the third paragraph, lines are 10 through 13, the sentence "It is not unusual for us to provide for discretionary reopening or reconsideration of final agency action" is deleted because the sentence was inadvertently repeated.

On page 66392, Table 40, Impact of Final Rule with Comment Period and Estimated Physician Update on 2008 Payment for Selected Procedures, the columns for 2008 payment amount and the percent change for both facility and non-facility are corrected due to a methodological error.

### B. Errors in the Addenda

On pages 66410 through 66543, Addendum B, Relative Value Units and Related Information Used in Determining Medicare Payments for 2008, incorrect PE RVUs were listed for many CPT codes due to a methodological error. Therefore, for the convenience of health care providers and the public, we are republishing Addendum B in its entirety. In addition, the work RVUs are corrected for CPT code 67113 and the status indicator, work RVUs, and malpractice RVUs are corrected for CPT code 93503 in this revised addendum.

On pages 66543 through 66545, Addendum C, Codes with Interim RVUs, incorrect PE RVUs were listed for many CPT codes due to a methodological error. Therefore, for the convenience of health care providers and the public, we are republishing Addendum C in its entirety.

On pages 66545 through 66546, Addendum D, 2008 Geographic Adjustment Factors (GAFs), we identified errors in the data used to calculate the GAFs, and therefore, we are republishing Addendum D in its entirety.

On pages 66546 through 66547, Addendum E, 2008 \* \* \* Geographic Practice Cost Indices by State and Medicare Locality, we identified errors in the data used to calculate the Geographic Practice Cost Indices (GPCIs), and therefore, we are republishing Addendum E in its entirety.

On pages 66575 through 66578, Addendum I, List of CPT<sup>1</sup>/HCPCS Codes Used to Describe Certain Designated Health Service Categories<sup>2</sup> Under Section 1877 of the Social Security Act, Correction to Addendum I, we incorrectly included CPT code

0147T and its short descriptor within the short descriptor for CPT code 0146T, and CPT code 71015 and its short descriptor within the short descriptor for CPT code 71010. Therefore, we are republishing the entries for CPT 0146T, 0147T, 71010, and 71015 on separate lines. We are removing CPT codes 75558, 75560, 75562, and 75564 because these codes are considered non-covered services and were incorrectly included on the Code List. We are removing HCPCS code C2637 because it is paid for as part of an ASC service and should not have been included on the Code List. (We note that when provided in an inpatient or outpatient hospital setting, this source is considered to be a Designated Health Service.) In addition, the short descriptor for the HCPCS code G0103 was incorrect, and therefore, we are revising. Also, we omitted CPT code 76801 and we are adding it to Addendum I.

IV. Waiver of Proposed Rulemaking and Delay in Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a rule take effect in accordance with section

553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). However, we can waive the notice and comment procedures if the Secretary finds, for good cause, that the notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the rule.

Section 553(d) of the APA ordinarily requires a 30-day delay in effective date of final rules after the date of their publication. This 30-day delay in effective date can be waived, however, if an agency finds for good cause that the delay is impracticable, unnecessary, or contrary to the public interest, and the agency incorporates a statement of the findings and its reasons in the rule issued.

This correction notice addresses typographical and technical errors made in FR Doc. 07-5506, the CY 2008 PFS final rule with comment period, which appeared in the November 27, 2007 **Federal Register** (72 FR 66222), and is, with limited exceptions as noted in that rule, effective January 1, 2008. The provisions of the final rule with comment period have been subjected previously to notice and comment procedures. These corrections contained in this correction notice are consistent with, and do not make substantive

changes to, the payment methodologies and policies adopted in the CY 2008 PFS final rule with comment period. As such, this correction notice is intended to ensure the CY 2008 PFS final rule with comment period accurately reflects the policies adopted in that rule. We find, therefore, for good cause that it is unnecessary and would be contrary to the public interest to undertake further notice and comment procedures to incorporate these corrections into the final rule with comment period.

For the same reasons, we are also waiving the 30-day delay in effective date for this correction notice. We believe that it is in the public interest to ensure that the CY 2008 PFS final rule with comment period accurately states our policies as of the date they take effect. Therefore, we find that delaying the effective date of these corrections beyond the effective date of the final rule with comment period would be contrary to the public interest.

In so doing, we find good cause to waive the 30-day delay in the effective date.
