Goods Transport: 481112 481212 482 483 484 486 4885 491 492	2.3				X	Management services for pipeline transportation systems	Providing day-to-day management of a pipeline transportation system system client, who exercises ultimate decision-making, strategic management, and budgeting responsibility for the system. The service provider is responsible for ensuring that the system is managed according to standards set by the client. Service includes supervising system employees and contractors, ensuring that the routine paperwork and regulatory requirements of the system are satisfied effectively, and managing system operations. The contractor is monitored and supervised by the client and its authority to make decisions is limited and under the total control of the client. This service is generally conducted under a long-term contract.  Excludes: • providing contract staffing services and co-employment staffing services is in products 1.2 and 1.7 of the 5613 list. • transportation of bulk liquids or gases by pipeline is in product 1.4.2.4, Transportation of bulk liquids and gases by pipeline.			486110 486210 486910 486990 488999

Goods Transport: 481112 481212 482 483 484 486 4885 491 492	2.4					Freight transportation arrangement services and customs brokering services	Arranging for the international or domestic transportation of goods, including all necessary customs clearances, regulatory requirements, and related documentation for a shipment of goods. The service provider receives the power of attorney for one of the parties to the shipment, and represents the party in all aspects of ensuring that the shipment is transported according to the time and place specifications of the client. In addition to handling the regulatory aspects of the shipment, and ensuring the execution of the transportation, the service-provider also ensures that the proper payments are made by the parties to the shipment. Service usually includes arrangement of transportation for the goods, either with a client-specified provider on an existing contract, or under arrangements made entirely by the service-provider.
