Dear BLM Staff, 09 NOV 2007 PM 1

I wrote to you a couple weeks ago with my comments of criticism regarding the revisions proposed for the NWFP. Since that time I visited some BLM lands that would be logged under WOPR: the Wasson Creek Watershed near Scottsburg. The area was incredibly rich + diverse, both botanically and zoologically. We saw activity of beaver, elk, + many birds. The forest included virgin stands of
