PRE-ASSIGNMENT HEALTH QUESTIONNAIRE

Ensuring a healthy work force arrives on the disaster relief operation is a common goal of the organization. To ensure available DSHR members meet pre-assignment health conditions, recruiters at the chapter, service area and national levels (employees and volunteers) must obtain the following information at the time the member is requested and prior to advising the Service Area DSHR Senior Associate of the DSHR member's availability to accept the assignment. Chapters whose employees and volunteers do not obtain current and accurate information noted below may be charged for the cost of the DSHR member's round trip air fare if, after arrival to the disaster relief operation, the member is found not to be in good health and is unable to serve as recruited, which could have been determined by obtaining the information below.

Member's Name	DSHR #	Requested for DR #
	D3HK #	

1.	Does the member have a current Health Status Record/Personal Statement of Good Health in their DSHR file?	?
	Yes D No. If no, do not continue. Member cannot be assigned.	

- 2. Does the member have a restriction of RM noted on their DSHR file? \Box Yes \Box No
- 3. Verify any hardship codes associated with the disaster relief operation; does the member's DSHR file include any of the hardship codes associated with this disaster relief operation?

NOTE: If '**Yes**' responses were noted to Questions 2 and 3 above, **do not continue**. The member may not be recruited and assigned at this time. If no responses were noted for 2 and 3 above, continue.

Members *cannot* be recruited and assigned if **any** 'Yes' responses are obtained to the questions *below at this time*. Once you obtain *one* yes response, *do not continue* as the member cannot be recruited and assigned at this time. Members responding yes should be asked if they would like to discuss their health issues related to deployment with a Health Reviewer. If so, arrangements should be made for the member to speak with a Health Reviewer.

<u>Note</u>: Once a Health Reviewer determines the 'Yes' response would not hinder the member from successfully completing an assignment to this specific disaster relief operation, the member *may* be recruited and assigned. Check with your DSHR Sr. Associate at the service area.

The following statements MUST be read when speaking to the DSHR member, "Only provide a yes or no response to the following questions. Please do not share any specific medical information with me at this time."

Do you currently have any sutures (stitches)? U Yes U No		
Do you currently have a cast, or other restricted movement support?	T Yes	🗖 No

Do you have any medical/laboratory tests scheduled within the next month?	T Yes	🗖 No
Have you begun or changed medication within the last 14 days?	🗖 Yes	🗖 No

Advise the member that if they failed to provide accurate information above, they may be charged for their round trip air fare if after arrival to the disaster relief operation the member is found not to be in good health and able to serve as recruited which could have been determined by providing accurate information.

If the member answered	d 'Yes' to a	ny of t	the above,	ask "Would you like	e to speak w	vith a health	reviewer about your
deployment status?"	🗖 Yes		No. If 'Ye	s', make appropriat	e referral to	o a Health Re	eviewer.
