Federal Fellowship Opportunity

at the National
Counterterrorism
Center located in
Washington, DC

An exciting opportunity exists for state, local, or tribal officials to serve in a fellowship program with the Interagency Threat Assessment Coordination Group, which coordinates terrorism information products for state, local, tribal, and private sector consumers. These positions will serve an integral role in providing the state, local, and tribal perspectives at the national level.

Appointment to the Interagency Threat Assessment Coordination Group:

The officials selected for the fellowship will receive a one-year appointment to the Interagency Threat Assessment Coordination Group (ITACG), housed within the National Counterterrorism Center (NCTC). The ITACG coordinates the production and timely issuance of interagency products intended for distribution to state, local, and tribal officials and the private sector, including:

- Alerts, warnings, notifications, and updates of time-sensitive information related to terrorism threats to locations within the United States;
- Situational-awareness reporting regarding significant events or activities occurring at the international, national, state, and local levels; and,
- Strategic and foundational assessments of terrorist risks and threats to the United States and related trend and trade craft information, including, for example, assessments of lessons learned from terrorist events or counterterrorism initiatives.

The ITACG includes representatives from the U.S. Department of Homeland Security (DHS), Federal Bureau of Investigation (FBI), NCTC, U.S. Department of Defense, Central Intelligence Agency, National Security Agency, U.S. Department of State, and state and local organizations.

The Criminal Intelligence Coordinating Council, sponsored by the U.S. Department of Justice's Global Justice Information Sharing Initiative and the Governors Homeland Security Advisors Council (GHSAC) which is sponsored by the National Governors Association, is charged with coordinating the nomination of state, local, or tribal officials to be assigned to the ITACG. The officials selected will be federalized for a one-year detail under an FBI or DHS fellowship program with lodging and per diem provided. Salary will be borne by each official's agency. Interested officers must understand the time and dedication the assignment demands. Selection of

candidates will be an ongoing process, and a pool of qualified applicants will be maintained.

Candidate Qualifications/ Requirements:

- State, local, or tribal law enforcement professional with experience in any of the following areas: multiagency task forces, long-term investigations, critical infrastructure programs, or homeland security-related issues.
- Currently serving in a rank of detective/investigator or higher (preference will be given to those individuals with supervisory experience).
- Recommendation by his or her agency's chief executive.
- Ability to relocate to the Washington, DC, area and serve a one-year detail.
- Submission to a CI-scope polygraph.
- Preference will be given to candidates with a clearance level (or one in process) of Top Secret Special Compartmented Intelligence (TS/SCI).

Please submit Resume and Letter of Recommendation to:
