## Creation of Centralized Email Address

As noted in section 45.0 of the AMS API License Agreement, Licensees must create a centralized email address. The centralized email address must be [ncscinfo@<yourcompanyname.com>](mailto:ncscinfo@<yourcompanyname.com>). The centralized email address should be established before completion of the licensing process. Once the centralized email address has been established, send written notification to [amsapi@usps.gov](mailto:amsapi@usps.gov).

## Purchasing Codes

## Product Descriptions

### AMS, DPV® and LACSLink® Developer's Kit

This kit is required to access AMS, DPV and LACSLink API. This kit includes one AMS API database license, one DPV API database license, one LACSLink API database license, one operating platform and six (6) bimonthly media updates for AMS, DPV, LACSLink API, and eLOT® (as requested).

### Additional AMS, DPV and LACSLink Developer's Kit

This kit is required when the user requests additional operating platforms for the AMS, DPV and LACSLink API Developer's Kit. For example: If the user originally purchased the W32 platform and later requested the SUN platform.

### Additional AMS, DPV and LACSLink Database License

This license is needed if more than one copy of the AMS, DPV and LACSLink ZIP + 4® database files will be utilized at the same time. The AMS, DPV and LACSLink API database files are listed in the license agreement. Use the factor table below to determine the factor to enter on the order form.

### AMS, DPV and LACSLink API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

### Additional AMS, DPV and LACSLink Resell License

This license is needed when the user requests additional operating platforms for the AMS, DPV and LACSLink Resell License. For example: If the user originally purchased the W32 platform, and later requested the SUN platform.

### RDI™ API Developer's Kit

This kit is required to access RDI API. The contents of this kit will be defined at shipment. A separate licensing process is required to receive the RDI data.

### Additional RDI API Developer's Kit

This kit is required when the user requests additional operating platforms for the RDI API Developer's Kit. For example: If the user originally purchased the W32 platform and later requested the SUN platform.

### RDI API Resell License

This license is needed only if you currently have or will develop a product for commercial resell. The resell license is for one operating platform only and includes Internet usage.

### Additional RDI API Resell License

This license is needed when the user requests additional operating platforms for the RDI API Resell License. For example: If the user originally purchase the W32 platform and later requested the SUN platform in addition.

### Additional Discs

Order the number of additional CD-ROM/DVD discs required for internal use or resell. Subsequent bimonthly releases do not need to be ordered until they occur. If you only use the single CD-ROM/DVD disc that comes with the AMS API Developer's Kit, please leave blank.
