| 18 years and over              | 1,777,302                          | 1,766,970                          | 1,761,371                          | 1,752,827  | 1,752,827                         |

**Table 2. Alabama Population Estimates by Age and Sex: April 1, 2000 to July 1, 2002**

| <b>Age and Sex</b>        | <b>July 1, 2002<br/>Population</b> | <b>July 1, 2001<br/>Population</b> | <b>July 1, 2000<br/>Population</b> | <b>April 1, 2000<br/>Population<br/>Estimates Base</b> | <b>Ccnsus 2000<br/>Population</b> |
|---------------------------|------------------------------------|------------------------------------|------------------------------------|--|-----------------------------------|
| 15 to 44 years            | 964,076                            | 966,693                            | 972,890                            | 970,881  | 970,881                           |
| 65 years and over         | 351,380                            | 350,253                            | 348,876                            | 348,312  | 348,312                           |
| <b>Summary indicators</b> |                                    |                                    |                                    |  |                                   |
| Median Age                | 37.8                               | 37.6                               | 37.4                               | 37.2   | 37.2                              |
| Mean Age                  | 38.4                               | 38.3                               | 38.2                               | 38.2   | 38.1                              |

NOTE: The April 1, 2000 Population Estimates Base reflects modifications to the Census 2000 population as documented in the Count Question Resolution program, updates from the Boundary and Annexation Survey, and geographic program revisions. Data may not sum to National Estimates, released separately, due to controlled rounding.
